Subject: Resignation from the post of Company Secretary & Compliance Officer

Dear Sir,

I am tendering my resignation from the post of Company Secretary and Compliance Officer of the Company STI India Limited w.e.f. 16th July, 2020. I wish to further bring in your attention that my salary is getting delayed for last 06 months (due from January, 2020 to till date), which I have informed not only to the Department Head, HRM but your kind self also. However, no positive action was taken to rectify the situation after 6 months and I have not received my salary till date.

Therefore, I have decided to submit this letter of resignation with immediate effect, as the present conditions are not conducive for my post, responsibilities and future.

I would appreciate if you clear my all due payments before the end of this month.

Yours Sincerely,

Deepesh Kumar Nayak
Company Secretary
