## **Media Announcement:**

Studio LSD Limited continues its growth trajectory in the media and entertainment sector with the addition of a significant regional content project to its portfolio, marking another milestone in its pursuit of expansion and operational excellence.

The Company has entered into an agreement with Ultra Media & Entertainment for line production services for Season 2 of the Marathi web series *Saubhagyavati Sarpanch*. Under this engagement, Studio LSD Limited will be responsible for end-to-end execution of the project, including pre-production, production, and post-production activities.

Season 2 of *Saubhagyavati Sarpanch* will comprise 7 episodes, each with an approximate duration of 30 minutes, and will be directed by acclaimed filmmaker Santosh Kolhe, a well-known name in regional cinema.

This project represents a strategic step in Studio LSD Limited's ongoing diversification efforts. By entering the regional content creation ecosystem, the Company aims to broaden its market presence, deepen its execution capabilities, and capture a larger share of India's rapidly growing regional digital entertainment market. The association further reinforces the Company's vision to evolve as a versatile production partner across languages, formats, and platforms.

Studio LSD Limited remains committed to expanding its content footprint through disciplined execution, strategic partnerships, and a focus on scalable growth opportunities across the media value chain.
