BUSINESS UPDATE · REGULATION 30, SEBI (LODR)

Quarterly Business Update Q2 FY27

Key business and operational updates for the quarter ended September 30, 2026, across television, digital / OTT, films and music.

AT A GLANCE

A quarter of milestones

During the quarter, the Company continued to build on its position as a creative and production-focused content company — recording episode milestones on its television shows, entering into a co-production for a premium OTT series, presenting a theatrical film release, and expanding its music vertical through original releases and a long-term catalogue licence.

LOOKING AHEAD

Outlook

The Company remains focused on building a diversified content portfolio across television, digital platforms, films and music. In parallel, it continues to pursue opportunities to develop and build its own intellectual property (IP), with the objective of creating sustainable, long-term value for the Company and its stakeholders.

The Company will continue to leverage its creative capabilities, production expertise and strategic partnerships to explore opportunities across the evolving entertainment and digital media landscape.
