Gist of discussions	NBCC (India) limited is a blue-chip Government of India, Navratna Enterprise under the Ministry of Housing and Urban Affairs. The Company's present areas of operations are categorized into three main segments, i.e. (i) Project Management Consultancy (PMC) (ii) Real Estate Development & (iii) EPC Contracting Key Highlights: • The company's unique business model has today, made it stand out as a leader in its own right in the construction sector and this expertise & experience helps company to get various new business avenues which includes recent project from Railways. • Company is focusing on large size projects instead of small value projects for

	achieving cost consolidation and economies of scale in terms of manpower capacity and overheads. As a result, Company's order book has grown many folds with various large value projects in last few quarters. • After analyzing the wide scope & interest from overseas market & Environment segment, Company has incorporated wholly-owned subsidiary (WOS) company for overseas and environment projects namely 'NBCC International Limited.' and 'NBCC Environment Engineering Limited' respectively. • In a fillip to its flagship Housing-For-All programme, Government has identified vast tracts of land belonging to sick Public Sector Undertakings (PSUs) to be monetized or leased for low cost houses and in this entire scheme, company is expecting a leading role to make it possible. • In the month of June 2017, Company has secured the total business of Rs 630 crore.
