Dear Sir/Madam,

Sub: Press Release: Intimation regarding the start of production at New greenfield manufacturing plant situated at Kharkhoda, Sonipat, Haryana

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in furtherance to our intimation dated 7th November, 2024, the Company is pleased to inform below:

New Delhi, October 28, 2026: **The Company has set-up a greenfield manufacturing plant at Tehsil Kharkhoda, District Sonipat, Haryana with capacity addition of 4.5 lakhs units per annum for HVAC and Hose & Tubes. The commercial operations at the new plant have commenced today i.e October 28, 2026 for HVAC and Hose & Tubes.**

As the Company continues to invest in strategic initiatives to meet the customers demand near to their locations that strengthen its long-term growth trajectory, the Kharkhoda Plant marks a significant step in the Company's journey towards sustainable manufacturing with advancement in technology, innovation, future mobility solutions, and improvement in operational capabilities.

Subros Kharkhoda plant is a milestone towards the growing demand resulting revenue growth in the coming years. This expansion reinforces the Company's readiness to meet evolving market demand of mobility and further solidifies its leadership in the thermal management products.

The requisite details as required under Regulations 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 is annexed below as **"Annexure- A"**

Company Brief:

Subros Limited founded in 1985 as a joint venture with Suri family of India, DENSO Corporation & Suzuki Motor Corporation, Japan; is the leading manufacturer of thermal products for automotive applications in India, in technical collaboration with DENSO Corporation, Japan. The Company is the only integrated manufacturing unit in India for Auto Air Conditioning systems and Thermal Products. Subros Limited manufactures compressors, condensers, heat exchangers and all connecting elements required to complete AC loop and caters to all segments viz. Passenger Vehicles, Buses, Trucks, Refrigeration Transport and Railways.

This is for your information & record.

Thanking you,

Yours faithfully,

For **SUBROS LIMITED**
