FOR IMMEDIATE RELEASE

21 JUN 2012

Sudarshan announces 5 Star safety ranking from British Safety Council

The British Safety Council has awarded Sudarshan, India's leading pigment manufacturer, its highest 5 Star rating for Health and Safety Management Systems at both its pigment manufacturing facilities in Roha and Mahad, India.

Mr. Rajesh Rathi, Head of Sudarshan's Pigment Division comments "The safety of Sudarshan's employees and manufacturing processes will never be compromised. We are proud to get international recognition for the way we operate. Many companies assess their performance by solely financial means - but as a major pigment manufacturer, we understand the value of protecting and caring for our employees and local communities."

About Sudarshan:

As the largest producer of pigments in India, Sudarshan manufactures an extensive range of Organic, Inorganic and Pearlescent pigments and dispersions catering to the Coatings, Plastics, Inks and Cosmetics Industries worldwide. The product offerings of Sudarshan's recognized brands include Sudaperm[®], Sudafast[®], Sudacolor[®], Sumica[®] and Sumicos[®]. Sudarshan's development focus is on high performance pigments mainly for automotive coatings and engineering plastics that are produced in state of the art manufacturing facilities.

Sudarshan has expanded into global markets since 2008 with wholly-owned subsidiaries in North America and Europe, and is preparing to open sales offices in Asia Pacific and Latin America.

Sudarshan Chemicals is a significant part of Pune-based Rathi Group, and a public limited company listed on the Mumbai Stock Exchanges.
