Sumax Engineering Limited

H1 FY27 Business Update

Automotive Consumables and Solutions

Sumax Engineering Limited is engaged in the manufacturing, trading and distribution of automotive consumables and related solutions for automotive OEMs and the auto-refinish and aftermarket segments. The Company's manufacturing division produces adhesive tapes and die-cuts, pre-taped masking film, rubbing and polishing compounds, buffing pads, reflective tapes, domes and graphics and car care products, while the trading segment supplies electrical and pneumatic tools, abrasive sheets, discs and rolls, body shop consumables and aerosol products. The Company operates manufacturing facilities in Chennai and Manesar, with processes certified under ISO 9001:2015 and IATF 16949:2016.

The Company listed on the NSE Emerge platform on September 2, 2026. With more than three decades of industry experience, the Company continues to focus on product quality, technical capabilities, customer relationships and the expansion of the product portfolio, including the recent entry into Paint Protection Film (PPF).

H1 FY27 Financial Performance

- **Revenue: ₹76.88 Cr**
- **YoY Growth: 7.15%**

Key Operating Metrics

Metric	H1 FY27 update
Manufacturing facilities	2 (Chennai and Manesar)
Proposed manufacturing units	2 (Rajasthan and Haryana)
States & UTs served	26
Export markets	9 countries
Capacity utilization	92 %

Recent Business Developments

- **NSE Emerge listing:** The Company listed on September 2, 2026 through an IPO of 52,87,200 equity shares at ₹101 per share, aggregating ₹5,340.07 lakhs (Fresh Offer of ₹4,334.11 lakhs and Offer for Sale of ₹1,005.96 lakhs). The IPO was oversubscribed **162.94 times**.
- **Tata Motors approval for PPF:** The Company received approval from Tata Motors Passenger Vehicles Limited to introduce the Company's Paint Protection Film, offered with 5-year and 10-year warranty options, through the Tata Motors BTST (Bill to Ship to) model.

- **Automechanika Frankfurt 2026:** The Company participated as Exclusive Distributor of INDASA, Portugal in India, an association since 2006.
- **New manufacturing units:** Net proceeds of ₹488.68 lakhs and ₹1,662.34 lakhs are earmarked for proposed manufacturing units at RIICO Industrial Area, Karoli, Tapukara (Rajasthan) and Model Economic Township, Jhajjar (Haryana), respectively.
- **Capacity utilisation:** In FY26, key lines at the Chennai unit operated at high utilisation, including die-cuts (99%), polish (99%), aluminium die-cuts (96%) and buffing pads (94%).

Management Commentary

"Over more than three decades, we have built Sumax into an integrated manufacturer and supplier of automotive consumables, serving automotive OEMs and the auto-refinish and aftermarket segments from our facilities in Chennai and Manesar. Our focus remains on high-usage and repeat-demand product categories across vehicle manufacturing, refinishing, protection and maintenance applications, backed by product quality, technical capabilities and long-standing customer relationships. With our listing on NSE Emerge, the proposed manufacturing units in Rajasthan and Haryana and value-added offerings such as Paint Protection Film, we are well positioned to participate in the growth of India's automotive sector."

– Mr. Sudeep Mehta, Chairman & Managing Director
