Subject: Press Release

Dear Sir/Madam,

Sungarner Energies Limited ("the Company") is pleased to inform that it has entered into a contract for the development, installation, and commissioning of a 2.4 MW (DC) Solar Power Project amounting to Rs. 8.5 Crore, which will be undertaken under the Company's full ownership, operation, and maintenance framework.

This project aligns with Sungarner Energies Limited's strategic objective of expanding its renewable energy asset portfolio and strengthening its long-term revenue visibility through owned solar power generation assets.

The Company possesses the necessary experience, technical expertise, and operational capabilities to undertake this project. With an established track record in solar EPC, system design, energy management, and high-efficiency renewable power solutions, Sungarner Energies Limited is fully equipped to execute the project with industry-leading quality and performance standards.

The 2.4 MW (DC) solar installation is expected to contribute significantly to the Company's future energy generation capacity and support its commitment toward promoting clean, reliable, and sustainable power.

Further details of the project, including timelines and financial impact, will be communicated in accordance with applicable regulatory requirements.

The Company remains committed to delivering value to its shareholders while advancing India's transition toward a greener energy ecosystem.

This is for your information and also for the information of members and the public at large

Thanking You,

For & on behalf of
Sungarner Energies Limited

SunGarner Energies Ltd.
