PAT Margin (%)	1.69%	1.57%	1.28%	+41 bps	+12 bps

H1FY27 Performance Summary (Standalone):

- Revenue from operations stood at **₹1,96,231 lakhs**, registering strong growth of **75% YoY** and **19% HoH.**
- EBITDA increased to **₹4,679 lakhs**, reflecting growth of **114% YoY** and **24% HoH**, driven by improved operating performance and cost discipline.
- EBITDA margin expanded by **8 bps HoH** and **43 bps YoY**, supported by operational efficiencies and a favourable product mix.
- Profit After Tax (PAT) stood at **₹3,321 lakhs**, growing **132% YoY** and **29% HoH**, indicating strong earnings momentum.
- Total sales volume increased by **11% YoY** and **5% HoH**, reflecting sustained business growth.
- Continued focus on **profitability, efficiency, and disciplined execution**
- The Company benefited from inventory gains due to fluctuations in copper prices during H1 FY 2026-27, which contributed to its EBITDA margins. Copper prices continue to remain volatile due to global economic and geopolitical factors, which may impact inventory realisations and the Company's margins going forward.

Strategic Developments:

- Approved a ₹37 crore strategic capital expenditure program, funded through bank borrowings and internal accruals, to expand Copper Wire Rod capacity to 45,000 MTPA and Value-added Products capacity to 3,540 MTPA. The project is targeted for completion by Q1 FY2027-28.
- Technology Enhancement- Expansion of the Value-added Products facility will be supported by advanced Upcast and Conform technologies, enabling the manufacture of specialized copper products for domestic and export markets.
- Operationalized the Ahmedabad Branch Office to strengthen customer engagement, improve regional responsiveness and expand the Company's presence across Western India.

Operational Highlights

Product Portfolio: Expanded the product portfolio across Copper and Aluminium products, with focus on higher value-added offerings such as ATC Wires and Copper Busbars, strengthening the Company's presence across multiple end-use industries

Manufacturing Scale: Operated with a combined installed manufacturing capacity of **~42,000 MTPA**

Sustainable Manufacturing: Continued to strengthen its recycling-based manufacturing model, supporting resource efficiency and circular economy initiatives while catering to growing demand for sustainable metal products.

Financial Highlights (Consolidated):

₹ In Lakhs	**HY1FY27**	**HY2FY26**	***HoH%***
