CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives me immense pleasure to present the Ninth Annual Report of Sunrest Lifescience Limited for the Financial Year 2025–26.

The financial year under review marked another significant milestone in the Company's journey of sustainable growth and value creation. Despite a dynamic business environment and an increasingly competitive pharmaceutical industry, your Company continued to demonstrate resilience, agility, and a steadfast commitment to excellence. Our focus throughout the year remained on strengthening our business fundamentals, enhancing operational efficiencies, expanding our market presence, and creating long-term value for all our stakeholders.

India's pharmaceutical industry continues to witness strong growth, driven by increasing healthcare awareness, rising domestic demand, supportive government initiatives, and expanding opportunities in global markets. These favourable industry trends provide a strong foundation for future growth, and we remain committed to strengthening our capabilities, embracing innovation, and delivering quality products that meet the evolving needs of the healthcare sector.

During the year, the Company continued to focus on operational excellence, process optimisation, customer satisfaction, and sustainable business practices. We also continued to derive meaningful operational synergies from our subsidiary, Hetvi Lifesciences Private Limited, which has further strengthened our business capabilities and enhanced our presence across key segments of the pharmaceutical industry.

The progress achieved during the year reflects the strength of our business model, disciplined execution, and the unwavering commitment of our management team and employees. While business performance remains an important indicator of success, we firmly believe that sustainable growth is built upon strong corporate governance, ethical business practices, innovation, compliance, and long-term stakeholder relationships. Accordingly, the Board remains committed to maintaining the highest standards of transparency, accountability, and responsible governance in every aspect of the Company's operations.

Our greatest strength continues to be our people. The dedication, professionalism, and relentless efforts of our employees have been instrumental in the Company's continued progress. I extend my sincere appreciation to every member of the Sunrest family for their commitment and valuable contribution.

I also express my heartfelt gratitude to our customers, healthcare professionals, suppliers, business associates, bankers, regulatory authorities, and investors for their continued trust, confidence, and unwavering support. Your encouragement inspires us to continuously improve and strive for higher standards of excellence.

Looking ahead, we remain optimistic about the opportunities that lie before us. With a clear strategic vision, a capable leadership team, robust operational capabilities, and an unwavering commitment to quality and innovation, we are confident of strengthening our competitive position and creating sustainable long-term value for all our stakeholders.

On behalf of the Board of Directors, I sincerely thank our shareholders for your continued faith and confidence in Sunrest Lifescience Limited. Your support remains the cornerstone of our success, and we look forward to your continued

association as we advance towards new milestones and build a stronger future together.

I wish you and your families good health, happiness, and prosperity.

Warm Regards,

**Sd/-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of the Company is pleased to present the Management Discussion and Analysis Report for the financial year 2025–26. This report provides an overview of the global and Indian economic environment, the pharmaceutical industry, key business developments, opportunities, risks and challenges, and the Company's performance during the year under review.

GLOBAL ECONOMY

The global economy remained resilient during the financial year 2025–26 despite persistent geopolitical tensions, trade policy uncertainties, supply chain realignments, inflationary pressures and volatility in energy and commodity prices. Although economic growth moderated across several developed economies, strong domestic demand in emerging markets, technological innovation and sustained investments in healthcare and digital transformation continued to support global economic activity.

Central banks across major economies maintained a cautious monetary policy approach throughout the year. While inflationary pressures gradually moderated in several regions, interest rates largely remained elevated to ensure price stability. Businesses worldwide continued to focus on operational efficiency, supply chain diversification, digital transformation and sustainability initiatives to mitigate evolving macroeconomic challenges.

The pharmaceutical and healthcare sectors continued to demonstrate resilience owing to increasing healthcare expenditure, rising prevalence of chronic diseases, ageing populations and continuous innovation in biotechnology, specialty medicines and precision healthcare.

• Monetary Policy and Inflation Management

Major central banks adopted a balanced and data-driven monetary policy approach to contain inflation while supporting economic growth. Although inflation eased in several economies, borrowing costs remained relatively high,

influencing capital investments and financing decisions across industries. Companies increasingly focused on improving operational efficiencies and prudent capital allocation to maintain profitability.

- **Moderate Growth in Advanced Economies**

Advanced economies experienced relatively moderate growth due to high interest rates, geopolitical uncertainties and cautious consumer spending. While healthcare expenditure remained relatively stable, pharmaceutical companies continued to face pricing pressures, reimbursement challenges and increasing regulatory scrutiny in several developed markets.

- **Emerging Markets Continue to Drive Growth**

Emerging economies, particularly India and other Asian economies, continued to outperform many developed markets, supported by robust domestic demand, expanding healthcare infrastructure, manufacturing growth and favourable demographic trends. India further strengthened its position as a global pharmaceutical manufacturing hub with continued emphasis on affordable medicines, vaccines and active pharmaceutical ingredients (APIs).

- **Increasing Focus on Healthcare Innovation**

Governments and international healthcare organisations continued to invest significantly in strengthening healthcare infrastructure, improving accessibility to affordable medicines and promoting research and innovation. Investments in biotechnology, artificial intelligence, digital healthcare, biosimilars and specialty pharmaceuticals continued to create new growth opportunities for pharmaceutical companies globally.

- **Future Outlook**

The long-term outlook for the global pharmaceutical industry remains positive, driven by increasing healthcare awareness, rising life expectancy, growing burden of chronic diseases, technological advancements and continuous investments in research and development. Companies with strong regulatory compliance, diversified product portfolios and efficient supply chains are expected to remain well-positioned for sustainable growth.

INDIAN ECONOMY

India continued to remain one of the fastest-growing major economies during the financial year 2025–26, supported by strong domestic consumption, resilient manufacturing activity, increasing government capital expenditure and sustained growth in the services sector. Despite uncertainties in the global economic environment, the Indian economy demonstrated remarkable resilience owing to healthy macroeconomic fundamentals, policy reforms and increasing private sector investments.

Government initiatives such as Make in India, Production Linked Incentive (PLI) Scheme, PM Gati Shakti, Digital India, and Atmanirbhar Bharat continued to strengthen India's manufacturing capabilities and improve the country's competitiveness across various sectors, including pharmaceuticals.

• Growth Drivers

Domestic consumption continued to remain a major contributor to economic growth, supported by rising disposable incomes, improving employment levels and expanding urbanisation. Continued investment in infrastructure, healthcare, renewable energy and digital technologies further strengthened economic activity and investment confidence.

• Inflation and Monetary Policy

The Reserve Bank of India continued to maintain a balanced monetary policy to ensure price stability while supporting economic growth. Inflation remained under control compared to previous years despite occasional volatility in food and commodity prices. The banking sector remained well-capitalised with healthy credit growth and improving asset quality.

• External Sector

India's external sector remained resilient with healthy foreign exchange reserves, steady remittance inflows and continued foreign direct investment. Although exports faced temporary challenges due to subdued global demand, services exports continued to perform strongly, supporting the country's external stability.

- [Digital and Structural Reforms](#)

India continued to witness rapid digital transformation through widespread adoption of digital payment systems, public digital infrastructure and technology-driven governance initiatives. Continued improvements in ease of doing business, taxation reforms and regulatory simplification enhanced investor confidence and strengthened the overall business environment.

- [Government Support for Pharmaceuticals](#)

The Government of India continued to promote domestic pharmaceutical manufacturing through various policy initiatives, including the Production Linked Incentive (PLI) Scheme, support for API manufacturing, research and development, and strengthening healthcare infrastructure. These initiatives are expected to enhance India's self-reliance and global competitiveness in the pharmaceutical sector.

The Company continues to align its business strategy with these national initiatives by strengthening its product portfolio, expanding market reach, maintaining high-quality standards and continuously improving operational efficiencies.

[INDUSTRY OVERVIEW](#)

The Indian pharmaceutical industry continues to be one of the most important contributors to the country's healthcare ecosystem and global pharmaceutical supply chain. India remains the world's largest supplier of generic medicines by volume and is widely recognised as a trusted manufacturer of affordable, high-quality pharmaceutical products.

The industry comprises generic formulations, Active Pharmaceutical Ingredients (APIs), vaccines, biosimilars, biotechnology products, specialty medicines, over-the-counter (OTC) medicines and contract research and manufacturing services (CRAMS). Supported by a robust manufacturing ecosystem, skilled scientific workforce and internationally compliant manufacturing facilities, India continues to strengthen its position in the global pharmaceutical market.

The pharmaceutical sector continues to benefit from several long-term structural drivers, including:

Rising healthcare awareness and expenditure.

Growing incidence of chronic and lifestyle-related diseases.

Expanding health insurance coverage.

Increasing ageing population.

Greater demand for affordable medicines.

Growing exports and international market opportunities.

Continuous innovation in biotechnology, biosimilars and specialty pharmaceuticals.

Government initiatives promoting domestic manufacturing and research.

India continues to maintain a strong global presence in pharmaceutical exports, vaccines, generic medicines and Active Pharmaceutical Ingredients (APIs). Continuous investments in research and development, digital healthcare, quality compliance and manufacturing capabilities are expected to further strengthen the industry's long-term growth prospects.

The global pharmaceutical industry also continued its steady growth trajectory during the year, supported by increasing healthcare investments, technological advancements, precision medicine, artificial intelligence, biotechnology and rising demand for innovative therapies. The long-term outlook for both the Indian and global pharmaceutical industries remains positive, creating significant opportunities for companies focused on quality, innovation, regulatory compliance and sustainable growth.

INDEPENDENT AUDITORS' REPORT

To The Members of
SUNRESTLIFE SCIENCE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **SUNREST LIFESCIENCE LIMITED**, (Formerly known as Sunrest Lifescience Private Limited) ("the Company"), which comprise the Balance Sheet as at 31st March 2026 and the Statement of Profit and Loss for the and a statement of cash flows for the period then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026 of its profit and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial statements.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis but does not include the standalone financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with governance for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance including cashflows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's report) Order, 2020 ("the Order"), issued by the central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - (d) The Company has not provided any loans or advances in the nature of loans to any other entity during the year, and hence reporting under clause 3(iii)(d) of the Order is not applicable.
 - (e) The Company has not provided any loans or advances in the nature of loans to any other entity during the year, and hence reporting under clause 3(iii)(e) of the Order is not applicable
 - (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) of the Order is not applicable.
- iv. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Hence, reporting under clause 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Income Tax, Sales Tax, Service Tax, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at 31st March 2026 for a period of more than six months from the date they became payable.
 - (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March 2026 on account of disputes are as Nil.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records, the term loans were applied for the purpose for which the loans were obtained.
 - (d) On an overall examination of the standalone financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) According to the information and explanations given to us by the Management, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary Company. The Company does not have joint ventures or associate companies hence the question of reporting on the same does not arise.
 - (f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries.

- x. (a) According to the information and explanation provided to us, during the year, the Company has not made any initial public offer or further public offer and hence, the reporting requirement under clause 3(x)(a) of the Order does not arise.
(b) According to the information and explanation given to us and on the basis of our examination of the records, during the year, the company has not made any preferential allotment of shares or private placement of equity shares nor converted any debentures into equity shares and hence, the reporting requirement under clause 3(x)(b) of the Order does not arise.
- xi. (a) According to the information and explanations given to us no material fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up-to the date of this report.
(c) According to the information and explanation given to us, the Company has not received any complaint from whistleblower during the year and hence reporting under clause xi(c) of the Order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) According to the information and explanation given to us and on the basis of our examination of the records, the company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not entered into any non-cash transactions with its Director's or persons connected with its directors. Hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company and reporting under clause xv of the Order is not applicable.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- xviii. According to the information and explanation provided to us and based on the verification of the records, there has not been any resignation of the Statutory auditor during the period covered under the report.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all

liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) The provisions of Sec 135 of the Companies Act are not applicable to the Company. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
(b) The provisions of Sec 135 of the Companies Act are not applicable to the Company. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- xxi. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure B to the Independent Auditor's Report
Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SUNREST LIFESCIENCE LIMITED** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: Company overview and significant accounting policies

1. Company Overview

The Company was incorporated as a private limited Company and subsequently was converted into a limited Company. The Company is domiciled in India & engaged in the business of sale of healthcars products, medicines and cosmetics. The Company gets the goods manufactured and markets the same under its own name.

2. Significant accounting policies

The accounting policies set out below have been applied consistently to the years presented in these financial statements.

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under historical cost convention on the accrual basis of accounting and comply with accounting standards, as prescribed under Section 133 of the Companies Act, 2013, as applicable and the relevant provisions of the Companies Act, 2013. The accounting policies adopted in preparation of the financial statements are consistent with those followed in the previous year.

Current and non-current classification

All assets and liabilities are classified into current and non-current.

Current Assets

An asset is classified as current when it satisfies any of the following criteria:

a. it is expected to be realized in or is intended for sale or consumption in, the Company's normal operating cycle;

b. it is held primarily for the purpose of being traded;

c. it is expected to be realized within 12 Months after the reporting date; or

d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Current Liabilities

A liability is classified as current when it satisfies any of the following criteria:

a. it is expected to be settled in the company's normal operating cycle;

b. it is held primarily for the purpose of being traded;

c. it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

2.2 Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make judgements, estimates and assumptions that affect the reported balances of assets and liabilities, the disclosure of contingent liabilities as at the date of the financial 'Statements and reported- amounts of income and expenses during the reporting period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Revenue recognition

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

2.4 Fixed assets and depreciation

Property, plant and equipment ("PPE")

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation

For depreciation the Company adopts the useful life as prescribed under the Companies Act 2013 and depreciation is calculated as per the written down value method by taking into consideration the useful life and residual value of the asset specified in Part 'C' of Schedule II to the Act.

2.5 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those PPE which necessarily take a substantial period of time to get ready for their intended use are capitalized. Other borrowing costs are recognized as an expense in the period in which they are incurred.

2.6 Impairment of assets

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. The recoverable amount of an asset or smallest group of assets (Cash Generating Units (CGU)) that generates cash inflows from continuing use is the greater of its value in use and its net selling price. In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets or Cash Generating Units (CGU). For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the statement of profit and loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

2.7 Investment

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as non-current. investments. However, that part of non-current investments which is expected to be realized within 12 months after the reporting date is also presented under 'current assets' as "current portion of non-current investments" in consonance with the current—non-current classification scheme. Non-current investments (including current portion thereof) are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments. Any reductions in the carrying amount and any reversals of such reductions are charged or credited to the statement of profit and loss.

2.8 Provisions

A provision is recognized if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is 'probable that an outflow of economic benefits will be required' to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

2.9 Inventories

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.10 Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.11 Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the period', determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed or carried forward losses under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and are written down or written-up to reflect the amount that is reasonably or virtually certain (as the case may be) to be realized.

2.12 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, buy back, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Cash flow Statement

In the cash flow statement, cash and cash an equivalent includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

Report on the Audit of the Consolidated Financial Statements Opinion

We have audited the accompanying consolidated financial statements of Sunrest Lifescience Limited (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2026 and the consolidated statement of Profit and Loss, and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies

(hereinafter referred to as "the consolidated financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2026, of consolidated profit and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the *Code of Ethics issued by ICAI*, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, and Shareholder's Information but does not include the consolidated financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

• Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Annexure A

To the Independent Auditors Report of even date on the Consolidated Financial Statements of Sunrest Lifescience Limited

Report on the internal financial controls with reference to the aforesaid Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the act")

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to Consolidated Financial Statements of Sunrest Lifescience Limited (hereinafter referred to as the "Holding Company") as of March 31, 2026 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITIES FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate Company are responsible for establishing and maintaining internal financial controls with reference to the Consolidated Financial Statements based on the internal control with reference to the Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (the ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other Auditors referred to in the other matters paragraph below, Holding Company, its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India.

Note 1: Company overview and significant accounting policies**1. Company Overview**

The Holding company was incorporated as a private limited Company and subsequently was converted into a limited Company. The Holding Company is domiciled in India & engaged in the business of sale of healthcare products, medicines and cosmetics. The Holding Company gets the goods manufactured and markets the same under its own name. The Subsidiary Company is engaged in manufacture of healthcare products.

2. Consolidation

(a) The Consolidated Financial Statements comprise of the Financial Statements of the Holding Company & its Subsidiary Companies (hereinafter referred to as "the Group"). The list of Subsidiary Company considered for consolidation together with proportion of shareholding held by the Group are as under .

Name of Subsidiary	Country of Incorporation	As at 31-03-2026	As at 31-03-2025
Hetvi Lifesciences Private Limited	India	51.49%	51.49%

(b) For the purpose of consolidation, the audited Financial Statements of the Subsidiary Company drawn upto the same reporting period viz. year ended 31st March, 2025 have been considered & during the financial year ended 31-03-2025 the holding subsidiary relation existed only for a period of 3 days & accordingly the consolidation is done on time proportion basis.

(c) Consolidated Financial Statements have been prepared in the same format as adopted by the Holding Company, to the extent possible, as required by Accounting Standard — 21 (Revised) "Consolidated Financial Statements"

2. Significant accounting policies

The accounting policies set out below have been applied consistently to the years presented in these financial statements.

2.1 Basis of preparation of financial statements

The accounts are prepared under historical cost convention on accrual basis. Mercantile method of accounting is followed by the Company. The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Current and non-current classification

All assets and liabilities are classified into current and non-current.

Current Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realized in or is intended for sale or consumption in, the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realized within 12 Months after the reporting date; or

d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Current Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

2.2 Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make judgements, estimates and assumptions that affect the reported balances of assets and liabilities, the disclosure of contingent liabilities as at the date of the financial Statements and reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Revenue recognition

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

2.4 Fixed assets and depreciation

Property, plant and equipment ("PPE")

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation

For depreciation the Company adopts the useful life as prescribed under the Companies Act 2013 and depreciation is calculated as per the written down value method by taking into consideration the useful life and residual value of the asset specified in Part 'C' of Schedule II to the Act.

2.5 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those PPE which necessarily take a substantial period of time to get ready for their intended use are capitalized. Other borrowing costs are recognized as an expense in the period in which they are incurred.

2.6 Impairment of assets

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. The recoverable amount of an asset or smallest group of assets (Cash Generating Units (CGU)) that generates cash inflows from continuing use is the greater of its value in use and its net selling price. In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets or Cash Generating Units (CGU). For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the statement of profit and loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

2.7 Investment

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as non-current. investments. However, that part of non-current investments which is expected to be realized within 12 months after the reporting date is also presented under 'current assets' as "current portion of non-current investments" in consonance with the current—non-current classification scheme. Non-current investments (including current portion thereof) are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments. Any reductions in the carrying amount and any reversals of such reductions are charged or credited to the statement of profit and loss.

2.8 Provisions

A provision is recognized if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

2.9 Inventories

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.10 Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.11 Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the period' determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed or carried forward losses under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and are written down or written-up to reflect the amount that is reasonably or virtually certain (as the case may be) to be realized.

2.12 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, buy back, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

Cash Includes cash on hand and balances with banks. Cash Equivalents are short term, highly liquid investments, having a maturity of three months or less from the date of its acquisition, that are readily convertible into known amounts of cash and which are subject to insignificant risks of changes in value. Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.
