INVESTOR PRESENTATION

This presentation and the accompanying slides (the "Presentation"), which have been prepared by Suntech Infra Solutions Limited (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward-looking statements concerning the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward-looking statements become materially incorrect in future or update any forward-looking statements made from time to time by or on behalf of the Company.

COMPANY OVERVIEW

SUNTECH: B2B CONSTRUCTION & INFRASTRUCTURE SOLUTIONS

Suntech is a business-to-business (B2B) construction company engaged in civil construction services, including civil foundation works, structural works, and construction equipment renting on both a direct contracting and sub-contracting basis.

The company has successfully served clients in both the public and private sectors, delivering construction solutions across industries such as Power, Oil & Gas, Steel, Cement, Renewable Energy, Refineries, Petrochemical Plants, Fertilizer Plants, Process Plants, etc

Suntech has contributed significantly to urban and rural infrastructure development, undertaking projects such as bridges, metro rail systems, and irrigation systems.

The company has expertise in piling and foundation work, earthworks, bridges and flyovers, and industrial & commercial structures, and also provides construction equipment on rental/hiring basis.

Suntech is currently expanding its portfolio by venturing into Process Plant, Refineries, Port Constructions etc to further strengthen its infrastructure capabilities.

The company secures projects primarily through one-to-one negotiations and tenders, ensuring a steady pipeline of contracts.

The company is led by its promoters, Mr. Gaurav Gupta and Mr. Parveen Kumar Gupta, who have been instrumental in its growth. Mr. Gaurav Gupta, as the Managing Director, leads the company's overall management and strategic decision-making.

Suntech has evolved into a highly professional, reliable, and safety-focused construction service provider, known for its prompt execution, quality services, and customer satisfaction.

MAJOR EVENTS AND MILESTONES

2009

Incorporated as a Private Limited Company

2012

Completed Tallest ATC Tower, New Delhi International Airport.

2014

Completed Versace by Raheja Towers, Gurgaon.

Awarded 1st Metro Job (Faridabad)

2018

Completed One of the tallest tower by Unity Group, Delhi

Won 1st Position in Hazard Identification & Best Contribution Award at I.T.P.O. Project by Shapoorji Pallonji

2019

Best Quality Conscious Award by L&T

2021

Secured highest value order for Pachpadara Refinery, Rajasthan

HSE Excellence Award by L&T Hydrocarbon Engineering

2022

Best Safety Conscious Person Award by L&T Hydrocarbon Engineering

2023

Executed Parallely 7 projects in IOCL Refinery, Bihar.

2024

Secured highest-value single work order.

Awarded piling & civil work for One of the biggest temple in Asia, Shri Mahavir Sthan Nyas Samiti Viraat Ramayan Mandir, Bihar

2025

Listed on NSE Emerge Platform in July 2025

MANAGEMENT TEAM

Gaurav Gupta

Promoter, Chairman and Managing Director
Education – Bachelor's Degree in Commerce from Delhi University
Experience – 15 years of experience in civil construction industry

Parveen Kumar Gupta

Promoter and Whole – Time Director
Experience – 15 years of experience in the construction field

Shikha Gupta

Promoter and Non - Executive Director
Education – Undergraduate program in Commerce from Gauhati University
Experience – 5 years of experience in the company

Sunil Kumar Bains

Non - Executive Independent Director
Education – MBA from FMS Delhi, a B.E. from Delhi College of Engineering, and a PG certification in Labour Laws from the Indian Law Institute.
Experience- 37 years in oil & gas and infrastructure management.

Yogesh Kumar Singhal

Independent Director
Education – Chartered Accountant
Experience- Practicing Chartered Accountant since 1990 with expertise in taxation & audit.

BUSINESS DEVELOPMENT OVERVIEW

- Turnkey Foundation Contracts
- Civil Construction for Bridge, Industrial Building etc.

CIVIL CONSTRUCTION SERVICES

Suntech Infra Solution is a trusted contractor and sub-contractor for corporate projects across Delhi, Bihar, Gujarat, Orissa, Rajasthan, and beyond. The company specializes in foundation, sub structure, super structure, construction works providing comprehensive infrastructure solutions tailored to diverse project requirements.

Turnkey Foundation Contracts

Pile foundations play a crucial role in providing stability and load-bearing capacity for various structures, including buildings, bridges, industrial plants, and towers.

The company offers comprehensive Turnkey Foundation Contracts, managing the entire process from soil investigation and procurement to execution and quality assurance.

By utilizing advanced equipment, including hydraulic hammers, modern piling rigs, crane and other ancillary equipments. Ensuring efficient and precise foundation work that meets industry standards.

Their foundation engineering capabilities allow them to deliver tailored solutions based on soil conditions, structural requirements, and project timelines.

Types of Foundation Services:

Bored or Driven
Cast-in-Situ
Pile

Precast
Spun Pile

Sheet Pile

Micro Piling

Compaction Pile
(Stone/Sand
Column)

CIVIL CONSTRUCTION SERVICES

Construction of Bridges and Industrial Buildings

Suntech provides comprehensive solutions for bridge projects, ensuring structural integrity, safety, and functionality.

They specialize in the tailored construction of industrial buildings, Commercial buildings, manufacturing, warehousing, Process plants, etc

Their approach emphasizes customized solutions to enhance operational productivity and efficiency.

By combining technical expertise with meticulous planning, they deliver projects that are structurally sound, safe, and functionally efficient.

Recent Order wins & Expansion

Nature of Contract	Order Specification	Order Amount (in cr.)	Client name
Work Order	Piling Work	8.10	India Cements
Work Order	Piling Work- Hydraulic piling rigs, cranes, excavators, and associated foundation equipment	17.94	Tata Projects
LOI	Civil Work & Non-Plant Building	25.05	Thyssenkrupp Industries
Sale Order	Civil works of Diaphragm Wall, Mobilization & Excavation	4.39	TKIL & URC

Suntech's board approved the proposal to set up a subsidiary in Dubai, signalling intent to tap international infrastructure and industrial opportunities beyond the domestic market.

Strategic Growth initiatives

The company placed purchase orders of roughly ₹25 crore for new construction equipment, aimed at expanding execution capacity and improving project turnaround times.

Securing major civil and piling mandates from Thyssenkrupp Industrial Solutions and Tata Projects underscores Suntech's competence in handling complex, time-critical projects and strengthens its standing with top-tier EPC and industrial players.

THE PATH

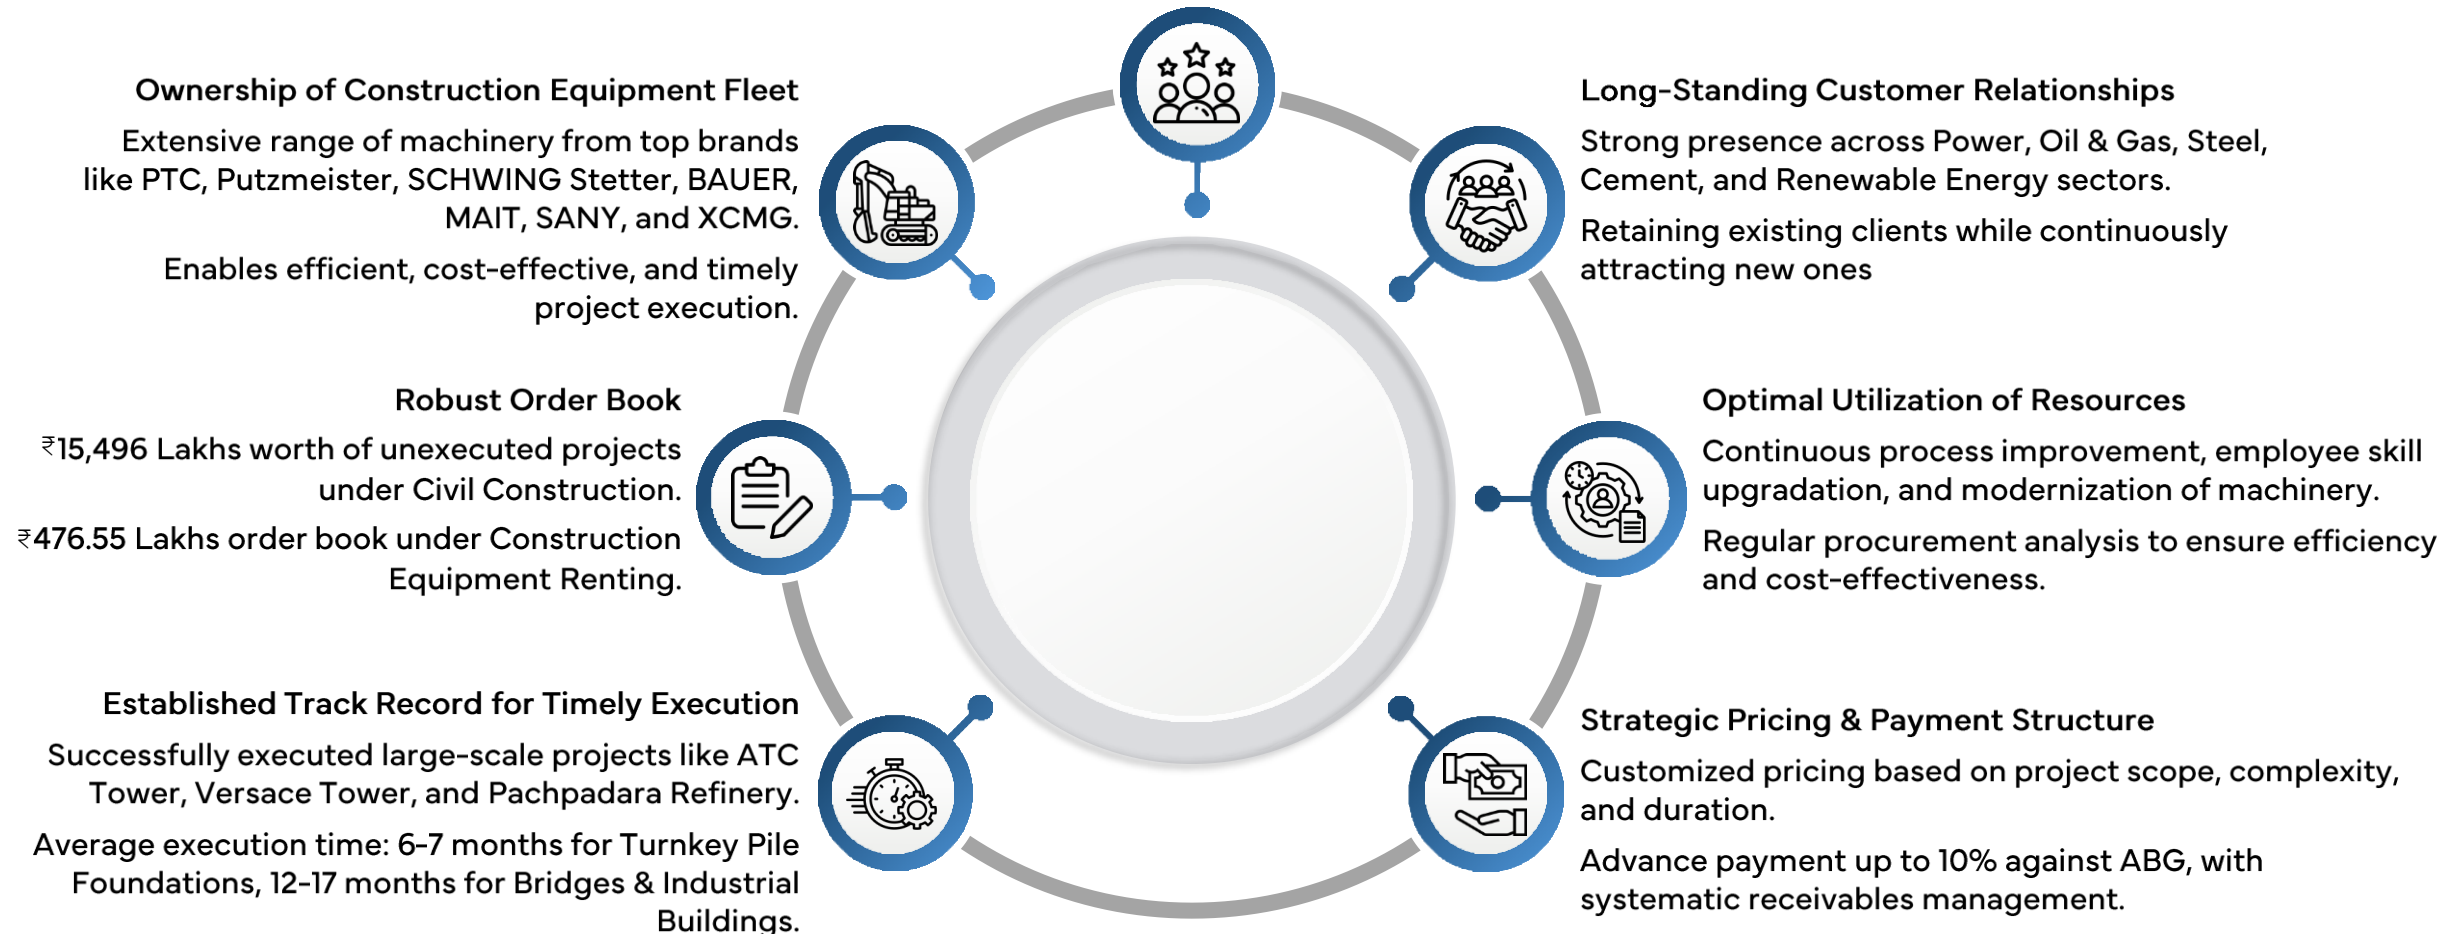

AHEAD

COMPETITIVE STRENGTHS

Experienced Promoter & Management Team

Promoter with 15+ years of industry experience.

A blend of young and experienced professionals driving growth.

Strengthen Project Execution Capabilities

- Enhance productivity through advanced equipment and project management tools.
- Improve internal systems for cost-effective and efficient decision-making.

Expand Scope & Take on Larger Projects

- Focus on high-profile, complex, and large-scale infrastructure projects.
- Strengthen our industry reputation by delivering excellence.

Diversify Across Multiple Sectors

- Reduce dependency on a single sector by expanding our portfolio.
- Utilize our design-build and turnkey capabilities for competitive advantage.

Ensure Timely Execution & Maintain Quality Standards

- Deliver projects on schedule to strengthen client trust and satisfaction.
- Adhere to the highest quality standards for long-term credibility.

Optimize Resources to Maximize Operating Margins

- Control operational and overhead costs through efficient resource management.
- Win larger and more technically advanced projects.

Build Strong Client & Partner Relationships

- Develop strategic alliances with private sector firms.

Capitalize on Infrastructure Growth in India

- Leverage our expertise in civil and engineering projects.
- Tap into the increasing demand for large-scale infrastructure developments.

INTERNAL EXTERNAL ANALYSIS

Strengths

- Proven track record for timely execution
- Good relationship with the clients
- Quality Assurance
- Experienced Management
- Low Employee Turover

Weaknesses

- Limited Regional Reach
- Huge capital requirement to cope up with the increased demand
- Dependency on Weather Condition

Threats

- Fluctuation in raw material prices
- Economic Recession
- Natural Calamities

INDUSTRY

OVERVIEW

INDIAN INFRASTRUCTURE INDUSTRY

Key Role in Economic Growth

Infrastructure is crucial for India's ambition to become a \$26 trillion economy.

Government initiatives like Gati Shakti, Smart Cities Mission, and Housing for All drive development, Make in India, Metros, Bullet trains, Airport, Water transport, etc

India needs \$840B in urban infrastructure investment over the next 15 years.

37% increase in capex to fuel infrastructure expansion.

India & Japan collaborating on Northeast infrastructure projects.

Total Capital Expenditure

₹15.5 lakh crore (Budget Expenditure for 2025-26)

This is a 3.3% of GDP allocation towards infrastructure development.

Logistics & Connectivity Boom

Indian logistics market: \$317B (2024) → \$484B (2029) (CAGR 8.8%).

Road logistics growth: 3-6% in FY25 (ICRA).

Targeting LPI rank 25 & reducing logistics cost from 14% to 8% of GDP.

(Source: IBEF)

INDIAN CONSTRUCTION INDUSTRY

Market Size

Expected to reach \$1.4 trillion by 2025

Urbanization Impact

By 2030, cities to contribute 70% of GDP; demand for 25 million additional housing units

- National Infrastructure Pipeline (NIP): \$1.4 trillion investment (2019–2025)
- 24% Renewable Energy, 18% Roads & Highways, 17% Urban Infrastructure, 12% Railways

Major Government Initiatives:

Smart City Mission (100 cities)

PMAY-U:
54 global innovative construction technologies adopted

Bharatmala Pariyojana:
Highway expansion, expressways, and border roads

PM Gati Shakti Master Plan:
25,000 km National Highway expansion (INR 20,000 Cr)

Sagarmala Program:
610+ port projects (\$10.5 Mn investment) till 2035

Recent Investments & Developments:

L&T secured orders for a 112.5MW solar plant (WB) & 600-bed hospital (Mumbai)

BHEL-Titagarh Wagons consortium bidding for 200 Vande Bharat trains (\$7 Bn contract)

National Highway projects worth \$217 Mn (Nashik), \$295 Mn (Madhya Pradesh), and \$2.6 Bn (Telangana)

(Source: Invest India, Mordor Intelligence, IBEF)

UPCOMING MEGA PROJECTS IN INDIA

Advantage Assam

₹4 Lakh Crore investment for industrial and infrastructure growth.

Semiconductor Plants

₹75,000 Crore investment to boost India's chip manufacturing ecosystem.

Bullet Train Project

Multiple cities under proposal for high-speed rail connectivity.

111 National Waterways

Proposed for enhanced inland transport and logistics efficiency.

Smart Cities Mission

Development work has commenced in multiple urban centers.

50 New Airports

Planned across India in the next 5 years for improved regional connectivity.
