Sub: Clarification on Financial Results Submission for the period ended 31.03.2025

Dear Sir/Madam,

This is in reference to your email dated 14th July, 2026, regarding the deficiencies/non-submission observed in the financial results submitted by Suntech Infra Solutions Limited.

The observations stated was:

1. **Financial results submitted is not as per format prescribed by SEBI - Statement on Utilization of IPO proceeds not submitted:**

   We would like to clarify as follows:

   The Company was listed on the NSE SME Platform on 02nd July, 2025. In accordance with Regulation 33(3)(j) of SEBI (LODR) Regulations, 2015, the Company was required to submit its financial results for the period ended 31st March, 2025 being the immediately preceding financial period to the listing date), within 21 days from the date of listing. The said financial results were submitted with the Exchange on 22nd July, 2025 in the format prescribed under SEBI (LODR) Regulations.

   Since the IPO proceeds were received only after the listing date, there was no utilisation of IPO proceeds during the period ended 31st March, 2025. Accordingly, submission of the Statement on Utilisation of IPO proceeds along with the Auditor's Certificate was not applicable for this period

   The Company confirms that being an SME listed entity, it is submitting half-yearly financial results along with the Statement on Utilisation of IPO proceeds duly certified by the Statutory Auditors, in compliance with Regulation 32 of SEBI (LODR) Regulations, 2015, from the half-year ending 30th September, 2025 onwards.

2. **Financial results submitted in XBRL with discrepancies - EPS is not provided in XBRL.**

It has been observed that the Earnings Per Share (EPS) figure was not appearing in the XBRL version of the financial results submitted to the Exchange due to an inadvertent technical error during the preparation and uploading of the XBRL file.

We respectfully submit that the EPS details were correctly disclosed in the PDF version of the financial results filed with the Exchange and there was no discrepancy in the financial information reported by the Company.

Pursuant to the observations received from the Exchange, the Company has now submitted the revised XBRL filing incorporating the EPS details. We request you to kindly take the revised XBRL on record.

The Company assures that due care and adequate internal checks shall be exercised in future filings to avoid recurrence of such inadvertent errors.

3. **The company has not submitted declaration in case of unmodified opinion(s).**

The Company had initially submitted the Outcome of the Board Meeting on 21st July, 2025 through the NEAPS path: Board Meeting > Outcome.

Subsequently, we received a communication from the Exchange clarifying the correct filing path, i.e., Compliance > Announcements/Corporate Actions > Create Announcement/Corporate Actions > Intimation type: Announcement > Regulation 30 Para A > Subject: Outcome of Board Meeting > Type: Financial Results.

Accordingly, the Company re-submitted the Outcome of the Board Meeting and Financial Results through the correct filing path as advised by the Exchange.

We respectfully submit that in the earlier submission, the Declaration on Unmodified Opinion(s) was attached along with the financial results. However, while re-submitting the Outcome through the other path, the said declaration was inadvertently omitted.

Pursuant to the observations received from the Exchange, the Company has now submitted the revised filing along with the Declaration in respect of the Unmodified Audit Opinion. A copy of the said Declaration is also enclosed herewith for your ready reference.

We request you to kindly take the revised submission and this clarification on record.

Thanking you

Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Results** section of our report. Management's and Board of Director's responsibility for the financial statements

These standalone financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other financial information of the Company in accordance with the applicable accounting standards prescribed under Section 133 of the

Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

GSRA & ASSOCIATES FRN 028347N Chartered Accountants

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

The Statement includes the results for the half year ended March 31, 2025, which are the balancing figures between the audited figures in respect of the full financial year and the unaudited year-to-date figures up to the first half year ended September 30, 2024. The unaudited year-to-date figures for the half year ended September 30, 2024, were not subjected to our limited review. Our opinion on the Statement is not modified in respect of this matter.
