	Remaining unresolved at the end of the quarter	NIL

**NOTES:**

- 1 The performance in this quarter was subdued due to:
 - a) shut down for debottlenecking of two lines of the Polystyrene (PS) plant for 22 days and 50 days respectively affecting product availability and sales; and
 - b) unprecedented restrictions on movement of heavy duty vehicular traffic by local administration during Ganapati Festival in September 2012 affecting transfer of raw material and finished goods to and from the plant.
- 2 The first phase of debottlenecking of the PS plant to increase the proportion of value added PS grades by 40000 TPA within the overall PS production capacity of 2,72,000 TPA was completed (taking a shut down of two production lines in July-August 2012). The second phase involving a shut down of the third PS line to increase the proportion of value added grade by another 10,000 TPA will be completed by December 2012.
- 3 The gas based captive power plant of 4000 KVA was commissioned on September 15, 2012.
- 4 Styrenics is the primary business segment of the Company. The secondary segment (Geographical) is as under:

(₹ Lacs)

To,
The Board of Directors,
Supreme Petrochem Ltd,
MUMBAI - 400 021

We have reviewed the accompanying statement of unaudited financial results of Supreme Petrochem Ltd for the period ended September 30, 2012 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.
