PRESS RELEASE

Business Update

Further to the Press Release dated May 25, 2026, we are pleased to inform as under:

Pursuant to the strategic restructuring of GCM Division (formerly SCD), Suprajit has been awarded multiple new contracts across its Matamoros, Morocco, China, and India plants. In the month of May 2026 alone, GCM division secured material new contracts worth approximately **USD 12 million /year** with an estimated **lifetime value of USD 75 million**.

Key wins include:

- **Largest-ever EV cable contract** — North American auto major, USD 5.25 million / year, lifetime USD 37 million, for Matamoros Mexico plant.
- **European luxury OEM** — USD 2 million /year, lifetime USD 12 million
- **Japanese OEM** — USD 1.2 million /year, lifetime USD 6 million
- Additional wins from a leading **Chinese EV manufacturer** and other new customers

These awards validate GCM's multi-geography supply chain footprint and its acceptance among global OEM customers.

Customer Recognitions:

SAL and SED have also received Awards in May including the **GM “Supplier Quality Excellence Award”** for ramping up a record contract, and the **M&M “Mahindra Last Mile Mobility Award”** for SED's e-throttle programme, which delivered rare-earth free throttles in record time.

An advanced testing facility for braking products was inaugurated on 1st June 2026.

About Suprajit Engineering Limited:

Suprajit is India's largest automotive cable and halogen bulb maker with an annual global capacity of 400 Million cables and 110 Million halogen lamps. Suprajit's customers' list includes a large number of global automotive majors. Suprajit Group has footprints in four continents with multiple plants, tech centers and warehouses.
