15. Voting through electronic means:
 - i. In compliance with provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014 and regulation 44 of the Listing regulation, the Company provides to its members, the facility to exercise their right to vote on resolutions proposed to be considered at the 36th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM (“remote e-voting”) will be provided by Central Depository Services Limited (CDSL).

Formerly Known as Supreme Heatreaters Pvt. Ltd.

- II. The members who have casted their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- III. The facility for voting through polling paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through polling paper.

ROAD MAP TO THE ANNUAL GENERAL MEETING VENUE:

R-223, MIDC Complex, Thane- Belapur Road, Rabale, Navi Mumbai: 400701

VOTING THROUGH ELECTRONIC MEANS AND ATTENDING THE AGM

In compliance with the provisions of Section 108 of the Act read with Rules made there under and Regulation 44 of the Listing Regulations, the Company is offering evoting facility to all Members of the Company. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners (in case of electronic shareholding) maintained by the Depositories as on the cut-off date i.e. Friday, September 22, 2023, only shall be entitled to avail the facility of remote e voting/ evoting at the AGM. CDSL will be facilitating remote evoting to enable the Members to cast their votes electronically. Members can cast their vote online from 9.00 A.M. (IST) on Wednesday, September 27, 2023 to 5.00 P.M. (IST) on Friday, September 29, 2023. At the end of remote e-voting period, the facility shall forthwith be blocked.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- I. The voting period begins on 9.00 A.M. (IST) on Wednesday, September 27, 2023 to 5.00 P.M. (IST) on Friday, September 29, 2023. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, September 22, 2023, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- II. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- III. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- IV. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
----------------------	--------------

Formerly Known as Supreme Heatreaters Pvt. Ltd.

(i) Login method for e-Voting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.

6) If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form	
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (3).

(ii) After entering these details appropriately, click on "SUBMIT" tab.

Formerly Known as Supreme Heatreaters Pvt. Ltd.

- (iii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (iv) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (v) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (vi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (vii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (viii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (ix) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (x) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xii) **Facility for Non – Individual Shareholders and Custodians –Remote Voting**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; cs@supremesteels.com (designated email address by company), if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

Formerly Known as Supreme Heatreaters Pvt. Ltd.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES.

Expected increase in productivity and profits in measurable terms	The company is committed to build the business operations within the budget and considering that the business operates on a going concern basis, it is believed that financial position of the Company will improve in near future.

The agreement as proposed above will be entered into subject to such other approvals as may be necessary.

The draft agreement is available for inspection at the Registered Office of the Company on any working day during business hours.

None of the Directors, Key managerial personnel and their relatives are interested in the above proposal, except Mr. Sanjay Chowdhri, Mrs. Lalitha Chowdhri, Mr. Abhinav Chowdhary and Mr. Pranav Chowdhri to the extent of his remuneration as a Managing Director of the Company.

Your Directors recommend passing the above mentioned resolution as an Ordinary Resolution.

Item No. 4

Mr. Prakash Vithalrao Deshmukh (DIN: 02376494) was appointed as an independent director of the Company pursuant to Section 149 of the Companies Act, 2013, read with the Companies (Appointment and Qualification of Directors) Rules, 2014, by the members at the EGM held on December 07, 2017, to hold office up to December 06, 2022. He is due for retirement from the first term as an independent director on December 06, 2022. The nomination and remuneration committee, at its meeting held on September 7, 2023, after taking into account the performance evaluation of Mr. Prakash Vithalrao Deshmukh during his first term of five years and considering his knowledge, acumen, expertise, experience and substantial contribution and time commitment, has recommended to the Board his reappointment for a second term of five years. The nomination and remuneration committee has considered his diverse skills, leadership capabilities, expertise in governance and finance, risk management and vast global business experience, among others, as being key requirements for this role. In view of the above, the nomination and remuneration committee and the Board are of the view that Mr. Prakash Vithalrao Deshmukh possesses the requisite skills and capabilities, which would be of immense benefit to the Company, and hence, it is desirable to reappoint him as an independent director.

Based on the recommendation of the nomination and remuneration committee, the Board, at its meeting held on September 7, 2023, has recommended the reappointment of Mr. Prakash Vithalrao Deshmukh as an independent director, not liable to retire by rotation, for a second term of five years effective from December 07, 2022 up to December 06, 2027. In accordance with the provisions of Section 149 of the Companies Act, 2013, an independent director may hold office for two terms up to five consecutive years each.

Mr. Prakash Vithalrao Deshmukh fulfills the requirements of an independent director as laid down under Section 149(6) of the Companies Act, 2013, and Regulation 16 of the LODR Regulations.

The Company has received all statutory disclosures / declarations from Mr. Prakash Vithalrao Deshmukh, including (i) consent in writing to act as director in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 ("the Appointment Rules"), (ii) intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act, and (iii) a declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013. The Company has also received a notice under Section 160 of the Companies Act, 2013 from a member, intending to nominate Mr. Prakash Vithalrao Deshmukh to the office of independent director.

In the opinion of the Board and based on its evaluation, Mr. Prakash Vithalrao Deshmukh fulfils the conditions specified in the Companies Act, 2013 and Rules made thereunder and LODR Regulations for his reappointment as an independent director of the Company and he is independent of the Management of the Company. A copy of the draft letter for the reappointment of Mr. Prakash Vithalrao Deshmukh setting out the terms and conditions is available for electronic inspection without any fee by the members. The resolution seeks the approval of members for the reappointment of Mr. Prakash Vithalrao Deshmukh as an independent director of the Company effective December 07, 2022 up to December 06, 2027, pursuant to Sections 149, 152 and other applicable provisions of the Act and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof) and his office shall not be liable to retire by rotation.

No director, key managerial personnel or their relatives except Mr. Prakash Vithalrao Deshmukh, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution set out in item no. 4.

The Board recommends the resolution set forth in item no. 4 for the approval of members.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. Forward Looking Statements

- I. Statements in this Management Discussion and Analysis of Financial condition may contain certain "forward-looking statements". These forward-looking statements generally can be identified by words or phrases such as "aim", "anticipate", "believe", "expect", "estimate", "intend", "objective", "plan", "project", "will", "will continue", "will pursue" or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement.
- II. Actual results may differ materially from those suggested by forward-looking statements due to risks or uncertainties associated with expectations relating to, inter alia, regulatory changes pertaining to the industries in India in which we operate and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India which have an impact on its business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in the industries in which we operate.
- III. These forward-looking statements and any other projections contained in this report (whether made by us or any third party) are predictions and involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements to be materially different than those contemplated by the relevant forward- looking statements.

2. Industry Stricture and Developments

1. Supreme Engineering Ltd was established in 1987 and was formerly known as Supreme Heatreaters Pvt Ltd. Supreme Engineering Ltd has two divisions – (1) Special Steels division located at Khopoli, and (2) Wire Division located at Navi Mumbai.
2. The special steel division was set up in 2008 to develop critical alloys in India and work as an import substitute for the strategic sectors such as Defence, Space, Atomic Energy, Aerospace, Power, Oil& Gas etc. The products manufactured by the special steel division are highly technical and used to manufacture the most critical parts.
3. The wire division was set up in 1987 and is involved with the manufacturing of wires, profiles, bright bars. The industries served include automotive, oil & gas, hand tools, textile machinery and other engineering applications. Thus unit has long standing relations with customers where many of the customers have been with the company from the time of inception.

3. Organisation

1. The constant endeavor to provide high quality material indigenously for the strategic use by India motivates our organization to follow the best quality management systems and policies to meet the required targets
2. The main departments include Quality, Production, Production planning & control, Marketing, R&D, Business Development, Purchase, Industrial Engineering, Finance, Accounts, Logistics and HR.

3. Production Facilities:

- i. The manufacturing facilities at special steel division include Vacuum Induction Melting, Electro-slag refining, Radial Forging, Rolling Mill, Bright Bar plant, Heat-treatment furnaces.
- ii. The manufacturing facilities at wire division include wire drawing, coil to coil peeling, grinding, heat-treatment furnaces, decoiling, profile shop, pickling, and passivation.
- iii. The primary raw material used by the plants include Nickel, Molybdenum, Chromium, Tungsten, Cobalt, Low carbon mild steel scrap, Stainless Steel billets, Alloy Steel billets and Alloy Steel wire-rods.
- iv. The product portfolio is as follows:

Super Alloys	Stainless Steels	Alloy Steels	Tool Steels
Nickel based	Austenitic	Low alloy	High speed steels
Iron Based	Martensitic	Ultra high strength	Cold working
Cobalt based	Ferritic	ESR re-melted	Hot working
PH	PH	Ball-bearing	

4. SECTOR-WISE PERFORMANCE

1. Supreme Engineering Ltd supplies currently to both the commercial as well as strategic sectors. Commercial sectors include Oil & gas, automotive, hand-tools, textile machinery, engineering industry etc. The strategic sectors include Defence (Aircrafts, Battle Tanks, Rockets, Missiles, Ships), Space (rockets, launch systems), Atomic Energy (Reactors, Tools for ancillary machinery), Power (Turbines, Boilers) etc.
2. There is a constant endeavor of the company to increase the business of supply to the strategic sector. There has already been a growth of 41% in this sector in the past 2 years.

5. Future Outlook

1. Supreme Engineering Ltd will continue to focus on increasing business in the strategic sectors of India.
2. With an even greater emphasis on make in India and import substitution, there is a huge opportunity opening up in fields of space, defence and thermal power.
3. With the certification of AS9100 D, various new opportunities have been opened. The company is at various stages of approvals in civil aviation sector and expects this business to grow with a thrust on offset policies by the government of India.
4. The wire division aims to develop bright bars, fine wires and special profiles that would further increase the value add in the product.

6. Risks, Concerns & Mitigation

1. The risks facing the business include dependability on government spending, raw material volatility, late delivery penalties and possibility for competition in the near future.
 - i. There is a dependency on the business in the strategic sector based on government policies and spending. With changing security priorities and general economic conditions there may be a shift in the budgets and spending. This risk is being mitigated by diversifying the business with supplies to other sectors and for civil aviation

- II. The raw materials used by the production are volatile in nature and the prices vary on a regular basis. This may have an impact on the profit margins. The risk is being mitigated by conduction supply chain, purchasing and inventory optimization.
- III. Many of the government's contracts are bound by late delivery penalty clauses. The risk is being mitigated by better utilization of capacity, improved production planning and planning to keep some inventory in stock based on forecast
- IV. Since the strategic sector in India has been growing rapidly, there is a high chance for competition in the near future. The risk is being mitigated by creating further barriers to entry by getting more stringent approvals particularly from the civil aviation sector.

7. SWOT Analysis

A. Strengths

- I. Technical capability to manufacture advanced alloys scarcely available in the country.
- II. Approvals from major OEMs in the strategic sector.
- III. Long standing relations with customers.
- IV. Flexibility and versatility available in production facility.

B. Weakness

- I. Difficulty in forecasts due to made-to-order production.
- II. Long working capital cycles and inventory due to multiple inspection stages.
- III. Dependence on government policies.

C. Opportunities

- I. Increase in demand in aerospace & defence due to various policies adopted.
- II. Preference to Indian manufacturers under "Make in India" program.
- III. Benefits from being MSME.
- IV. Possibility to scale up without investment in capital.
- V. Increased thrust on localization due to geo-political scenario.

D. Threats

- I. Competition from new entrants.
- II. Volatility of raw material prices.
- III. Raw material import restrictions for the wire plant.

INDEPENDENT AUDITOR'S REPORT

To the Members of

SUPREME ENGINEERING LIMITED

(Formerly Known as Supreme Heatreaters Private Limited)

Report on the Audit of the Ind AS Financial Statement Opinion

We have audited the accompanying Ind AS Financial Statement of **Supreme Engineering Limited** (Formerly known as **Supreme Heatreaters Private Limited**) (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the Ind AS Financial Statement, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statement give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Ind AS & accounting principles generally accepted in India:

- a) In the case of the balance sheet, of the state of affairs of the Company as at March 31, 2023; and
- b) In the case of the statement of profit and loss, of the loss including other comprehensive income for the year ended on that date.
- c) In the case of the statement of cash flows, of the cash flows for the year ended on that date.
- d) In the case of the statement of changes in equity, of the changes in equity share capital and other equity for the year ended on that date.

Basis for opinion

We have conducted our audit of the Ind AS Financial Statement in accordance with the Standards on Auditing (“SAs”) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Ind AS Financial Statement’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statement.

Emphasis of Matter

We draw attention to the fact that;

- The Company is required to get cost audit conducted as per the requirement of section 148 of the Companies Act, 2013 however, the same has not been conducted from the financial year 2019-20 and onwards.
- The Company had Secured Loans account which has turned NPA on 19th August 2021 and has stopped servicing the borrowing repayment and interest from that day. The Company has incurred a net loss of Rs. 10,493 Lakhs during the year ended March 31, 2023 and, as of that date; the company’s current liabilities exceeded its total assets making its Net worth being reduced by Rs. 10,493 Lakhs. The Company’s current liabilities borrowings have become NPA and Net worth is reduced to Rs. -7,993 Lakhs from Rs. 2834.61 Lakhs which has resulted in erosion of the net worth of the company. In spite of these events or conditions which may cast a doubt on the ability of the company to continue as a going concern, the management is of the opinion that going concern basis of accounting is appropriate in view of the restructuring in process of the loans and the wide asset base the company carries.

The Management is responsible for assessing the Company's ability to continue as a going concern, including whether the use of the going concern basis of accounting is appropriate. The use of the going concern basis of accounting is appropriate unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Management is also responsible for disclosing a material uncertainty of which management becomes aware related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

The Company's net worth is negative and it continues to incur losses. We were informed that the Company is in the process of identifying alternative business plans which in the opinion of the management will enable the Company to have profitability and to have a turnaround. The Company is also in the process of identifying strategic business partners and alternative business plans to improve the performance of the Company. The management is in the process of liquidating the non-core assets of the company. The Company's ability to generate positive cash flows depends on the successful implementation of such alternative business plans. The above factors cast a significant uncertainty on the Company's ability to continue as a going concern. Pending the resolution of the above uncertainties, the Company has prepared the aforesaid statement on a going concern basis.

- The company has not provided for accrued interest, charges, penalty or any other charges from the date of being classified as Non Performing Assets and the impact of the same on the financial result and statement remain unaccounted for.
- The Company is required to file Audit report under the Income tax Act 1961 and file corresponding Return under the act; however, the same has not been done for AY 20-21 and AY 21-22.
- The Company is required to conduct Audit under the Goods and Service Tax Act and file corresponding Annual Return and Audit Report; however, the same has not been filed for financial year 2018-2019, 2019-2020, 2020-2021 and 2021-2022.

- The Company has not paid the statutory tax dues like TDS, PF, Professional Tax and Income tax etc. that has become overdue and remain unpaid. Interest, Penalty in respect of the same has remained unascertained and unaccounted.
- The Company has Trade Receivables including Advances, Trade Payables including Advances to Suppliers and Others, Recoverable Advances in Cash or Kind, Borrowings, Cash Credit account in bank etc. includes balances which remain outstanding for a substantial period. The reported Financials may have consequential / subsequent impact which remains unascertained.
- Forensic Audit has been conducted for a period from 01/06/2018 till 30/09/2021. The final report has been issued and we are awaited to receive the final copy of the same.
- The company has changed the basis of valuation of Stock from Cost, to Cost or Net Realizable Value whichever is lower. This has led to the value of stock diminishing by Rs. 8883.70/- lakhs.

Our opinion is not modified in respect of above matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Board of Directors' Report, but does not include the Ind AS Financial Statement and our Auditor's report thereon.

Our opinion on the Ind AS Financial Statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statement, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS Financial Statement or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statement that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statement, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statement, including the disclosures, and whether the Ind AS Financial Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraph 3 and 4 of the order.

2. As required by section 143(3) of the Act, we report that:
 - a) We have reasonably sought and obtained the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

 - c) The balance sheet, the statement of profit and loss including the statement of other comprehensive income, the statement of cash flows and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.

 - d) In our opinion, the aforesaid Ind AS Financial Statement comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. Since the Company has become NPA, IND AS23 on Borrowing Cost is not applied.

 - e) On the basis of written representations received from the directors as on 31 March, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021, from being appointed as a director in terms of Section 164(2) of the Act;

 - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**”.

g) In our opinion, the managerial remuneration for the year ended 31st March, 2023 has been provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V of the Act;

h) with respect to the other matters to be included in Auditors Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position;

ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11, as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

Annexure A to the Independent Auditors' Report

Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date on the accounts of the company for the year ended 31st March, 2023

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- i. (a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
- (b) As explained to us, fixed assets have been physically verified by the management during the year; no material discrepancies were noticed on such verification.
- (c) Based on our audit procedures and the information and explanation received by us, the title deeds of property are held in the name of Company.
- ii. (a) As explained to us, inventories have been physically verified during the year by the management at reasonable intervals.
- (b) In our opinion and on the basis of our examination of the records, no material discrepancy was noticed on physical verification (quantity) of stocks by the management as compared to book records.
- (c) In our opinion and on the basis of our examination of the records, no material discrepancy was noticed in the physical quantity verification of stocks, whereas the stock value has diminished by more than 10%. Hence the same has been booked at Net Realizable Value.

iii. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans to its associate concern covered in the register maintained under section 189 of the Companies Act, 2013.

iv. The Company has not given any loans, made any investments or provided any guarantee, security under section 185 and 186 of the Companies Act, 2013.

v. In our opinion, the Company has not accepted any deposits within the meaning of Rule 2 (b) of Companies (Acceptances of Deposits) Rules, 2014.

vi. According to the information and explanations provided by the management, cost records have been prescribed under section 148(1) of the Companies Act, 2013 in respect of products of the Company. Those records have been properly maintained by the company. However, cost audit has not been conducted.

vii. (a) According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Service Tax, Goods and Service Tax, Custom Duty, Excise Duty, Cess to the extent applicable and any other statutory dues have not been regularly deposited with the appropriate authorities. According to the information and explanations given to us, there are following outstanding statutory dues as on 31st of March, 2023 for a period of more than six months from the date they became payable.

Particulars	Amount (in Rs.)
Provident Fund	38,29,065.00
ESIC	17,718.00
Profession Tax	2,27,175.00
Income Tax	3,17,84,285.00

Dividend Distribution Tax	25,44,192.00.00
TDS & TCS	1,25,74,108.00
Total	5,09,76,543.00

(b) According to the information and explanations given to us, there are following amounts payable in respect of income tax, service tax, goods and services tax, sales tax, customs duty and excise duty which have not been deposited on account of any disputes.

The Indirect Tax Disputes pending with the GST department are as under:-

viii. There are no transactions, which are not recorded in the accounts or disclosed to the income tax authorities.

ix. Based on our audit procedures and the information and explanations given by the management, we are of the opinion that, there has been default in repayment of dues to any financial institution, bank or debenture holders. The Company has been declared NPA.

x. Based on records of the company, the company has not raised funds by IPO, FPO or term loan during the year. However, the company had issued shares during the year 2018

The details of unutilized IPO proceeds as on 31/03/2023 are as follows:

Particulars	Proposed Utilization	Actual Utilization	Unutilized Amount
Part finance the working capital requirements	70,000,000.00	70,000,000.00	-
Part repayment of High cost debt	46,711,977.00	46,711,977.00	-
Capital Expenditure	9,507,197.00	4,318,177.00	5,189,020.00
General Corporate Purpose	30,000,000.00	30,000,000.00	-
IPO Expenses	21,333,125.00	21,333,125.00	-
Total	177,552,299.00	172,363,279.00	5,189,020.00

xi. Based on the audit procedures performed and the information and explanations given to us, we report that no fraud on or by the Company has been noticed or reported during the year.

xii. The Company is not a Nidhi company. Therefore, the provision of this clause of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

xiii. Based on our audit procedures and on the information given by the management, the company has complied with the sections 177 and 188 of the Companies Act, 2013 for all the transactions with the related parties and the details of such transactions have been properly disclosed in the Ind AS Financial Statement as required by the applicable accounting standards.

xiv. The company have an internal audit system in accordance with its size and business activities.

xv. Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (x) of the Order are not applicable to the Company and hence not commented upon.

xvi. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

xvii. In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

xviii. The company incurred any cash losses in the current and previous financial year covered by our audit.

Sr. no.	Financial Year	Amount (in Lakh/ Rs.)
1.	2022-2023	-10300.67
2.	2021-2022	-673.02

xix. During the year, there has not been any resignation of statutory auditors.

- xx. There is material uncertainty as on the date of the audit report with regards to the ageing report, financial ratios and expected dates of realization of financial assets and payment of financial liabilities, any other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans. The company cannot meet it's the liabilities which exist as at the balance sheet date when such liabilities are due in the future.
- xxi. The company has no obligations under Corporate Social Responsibility.

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date on the accounts of the company for the year ended 31st March, 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Supreme Engineering Limited (Formerly known as Supreme Heatreaters Private Limited)** ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS Financial Statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with

the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS

Financial Statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statement.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting. However, the Company does not have formal written standard operating manuals or predefined standard operation procedure to maintain the efficacy and effectiveness of the internal financial controls.

Description of Valuation techniques used and key Inputs to valuation on Investment Properties

The Valuation of this property is done by using Sales Comparison Method of Market Approach using composite rate of said assets.

This method is applicable to all properties which are capable of being bought and sold in the market. A comparison is made for the purpose of valuation with similar properties that have recently been sold in the market and thus have a transaction price. The sales comparison approach is the preferred approach when sales data are available.

Sales prices of comparable properties are usually considered the best evidence of Market Value of the property being valued. Sales Comparison Method models the behaviour of the market by comparing the property being appraised with similar properties that have recently been sold or for which offers to purchase have been made. Comparable properties are selected for similarity to the subject property considering attributes like age, size, shape, quality of construction, building features, condition, design, gentry, etc.

Their sale prices are then adjusted for their difference from the subject property. Finally, a Fair Value for the subject property is estimated from the adjusted sales price of the comparable properties.

The Company obtains independent valuations for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the company consider information from a variety of sources including:

- current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

Corporate Information

These statements comprise financial statements of Supreme Engineering Limited (CIN: L99999MH1987PLC043205) ('the company') for the year ended March 31, 2023. The company is a public company domiciled in India and is incorporated on 21/04/1987 under the provisions of the Companies Act applicable in India. Its shares are listed on National Stock Exchange in India. The registered office of the company is located at R.223, MIDC Complex, Thane, Belapur Road, Rabale, Navi Mumbai- 400701.

The Company is engaged in the business of manufacturing of steel products and heavy engineering.

The Financial Statements of the Company for the year ended March 31, 2023 were authorised for issue by the Board of Directors on

1 Significant Accounting Policies

1.1 Basis of preparation

(a) Compliance with Ind AS:

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended and Companies (Indian Accounting Standards) Amendment Rules, 2016 (Ind AS). The Financial Statements comply in all material respects with Ind AS. The Company's first Ind AS Financial Statements and Ind AS 101, 'First-time Adoption of Indian Accounting Standards' has been applied for Financial Year ended 31 March 2021. The policies set out below have been consistently applied during the years presented.

These Financial Statements for the year ended 31 March 2023 are Financial Statements of the Company prepared in accordance with Ind AS. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

The accounting policies adopted in the preparation of the financial statements are consistent with those of the previous year.

The items are regrouped wherever required so as to give a better presentation of the financial statements. The figures of previous year are also

(b) Historical cost convention

The Financial Statements have been prepared on a historical cost basis, except for the following:

- a. certain financial assets and liabilities that are measured at fair value;
- b. defined benefit plans - plan assets measured at fair value;

The Financial Statements are presented in Indian Rupees ('INR') which is the functional and presentational currency and all values are rounded to the nearest Lakh, except otherwise indicated.

Summary of significant accounting policies

1.2 Property, plant and equipment:

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The Company follows cost model for subsequent measurement for all classes and items of property, plant and equipment.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Profit or Loss.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2023

Spare parts, stand-by equipment and servicing equipment are recognised as property, plant and equipment if they meet the definition of property, plant and equipment.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital work-in-progress'.

Depreciation on Tangible Fixed Assets is provided on Written Down Value (WDV) on the basis of useful life of assets specified in Part C of Schedule II of the Companies Act, 2013.

Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the day of addition / deletion.

Gains and losses on disposals are determined by comparing the proceeds with the carrying method.

The residual values are not more than 5% of the original cost of the asset, wherever applicable.

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and any changes there-in are considered as change in estimate and accounted prospectively.

Depreciation and useful life

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Derecognition

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

1.3 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not in use by the Company, is classified as investment property. Land held for a currently undetermined future use is also classified as an investment property.

Investment property is measured initially at its acquisition cost, including related transaction costs and where applicable borrowing costs and are carried at cost less accumulated impairment losses.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 35-50 years. The useful life has been determined based on technical evaluation performed by the management's expert.

1.4 Impairment of fixed assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market-assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses are recognised in statement of profit and loss.

1.5 Inventories:

Inventories are carried in the balance sheet as follows:

(i) Raw materials, components, stores and spares :

Raw materials, components, stores and spares are valued at lower of cost or net realisable value. The Raw material is valued at Net Realisable Value in the year under consideration.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

(ii) **Work-in-progress and Finished goods:**

Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Fixed overheads are allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to the individual items in a group of inventories on the basis of First in first out basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The devaluation of the stock is due to the following factors and reasons and hence, Net Realisable Value is reported:

1. Cancellation of orders: There were various orders that were received from government companies during the COVID-19 pandemic period. Due to operational issues, the manufacturing of these orders got delayed, which resulted in cancellation of various high value orders from customers. These materials were made-to-order and hence once the chemical composition for the required customer is made, it cannot be diverted or sold to any other customer. Due to this reason, the valuation of the product has to be revalued as scrap.

2. Obsolete stock: There was various stock manufactured for supply of material to distributors. During the pandemic, these distributors had cash flow trouble due to which their payments to our company got very delayed. The company decided to stop this line of business in this financial year. Hence, the stock manufactured for these customers also need to be revalued accordingly.

The stock issues were discussed in the board meeting dated 13/12/22 and the revaluation was accepted by the board on 14/02/2023. The devaluation to net realisable value was implemented once the management was clear of the fact that there is no market otherwise for the products and the quality over the period has also depleted.

The diminished value of the inventory is reported under the expenses which has increased the loss of the company. The total value reduces is of Rs. 8883.70 (in lakhs) which consists of Rs. In lakhs - Rs. 741.16 in case of Finished Goods, Rs. 6321.14 in case of Raw Material and Rs. 1821.40 in case of Work in Progress.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

1.6 Statement of Cash Flows:

Cash flows are reported using the "indirect method", whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(i) Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Balance at Bank under current account includes 10% Bank of India Recovery account which is allowed for holding on operation with 10% set back arrangement on the Receipts credited to the account of the company

1.7 Foreign currency transactions:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

1.8 Revenue recognition:

(i) Sale of goods

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Revenue from sales is recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell / consume the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed.

(ii) Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award or acceptance by client or evidence of acceptance received.

(iii) Interest income

Interest income is recognised on a time proportion basis taking into account the amount outstanding using the effective interest rate method.

(iv) Dividend income

Revenue is recognised when the company's right to receive the payment is established.

(v) Rental Income

Revenue is recognised at the start of the period for which the property is rented. The company is receiving rent from Commercial property commencing from 21st Oct 2022. Taxes are levied over and above the rental which is charged.

1.9 Leases

The company has applied Ind AS 116 using the modified retrospective approach. Ind AS 116 is applicable for annual reporting period beginning on or after 1 April 2019. The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2020, with a transition date of 1st April, 2019. This lease ended as on 31st October 2021 and later again continued for further 3 years.

The company has applied Ind AS 116 using the further discounted cash flow approach. The company has renewed the lease for further 3 years. The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2020, and renewed the lease from 1st November 2021 which ends on 31st October 2024.

A handwritten signature in blue ink.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

(i) **Company as a lessee:**

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(ii) **Short-term leases and leases of low-value assets Company as a lessee:**

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(iii) **Company as a lessor:**

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the company to the lessee. Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

1.10 Employee Benefits

(i) **Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

(ii) **Post-Employment Benefits**

The company operates the following post-employment schemes:

- (i) defined benefit plans and
- (ii) defined contribution plans

Defined benefit plans - Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans - Provident fund

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

1.11 Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets. Borrowing costs are capitalized as part of the cost of such asset up to the date when the asset is ready for its intended use. All other borrowing costs are expensed as incurred. Borrowing costs consist of interest and other cost that an entity incurs in connection with the borrowing of funds. Borrowing cost includes exchange differences to the extent regarded as an adjustment to the borrowing costs. The company has not provided for accrued interest, charges, penalty or any other charges from the date of becoming classified as Non Performing Assets and the impact of the same on the financial result and statement remain unaccounted for.

1.12 Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue; bonus element in a rights issue, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.13 Taxes on Income:

Income tax expense comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

(i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI (Other Comprehensive Income) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31,2023

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

1.14 Provisions, Contingent liabilities, Contingent assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- a present obligation arising from past events, when no reliable estimate is possible
- a possible obligation arising from past events, unless the probability of outflow of resources is remote. Commitments include the amount of

1.15 Current and Non-current Classification:

The Company's presents assets and liabilities in the balance sheet are based on current/non-current classification.

An asset as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, Or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

- 10% Recovery account is created by bank to recover the borrowings which have become NPA in the current financial year. The bank as a process to recover the outstanding dues, debits an amount of 10% of the credit received in the bank account of the company

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, Or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets / liabilities are classified as non-current.

All other liabilities are classified as non-current.

A handwritten signature in blue ink.

SUPREME ENGINEERING LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

1.16 Fair Value Measurement:

The Company measures financial instruments of certain investments at fair value, at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable
For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.17 Financial instruments

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets:

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

SUPREME ENGINEERING LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2023

Subsequent measurement

After initial recognition, financial assets (other than investments in subsidiaries and joint ventures) are measured either at:

- i) fair value (either through other comprehensive income or through profit or loss) or,
- ii) amortized cost

Measured at amortized cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any, the amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI) net of taxes.

Interest income measured using the EIR method and impairment losses, if any are recognized in Profit and Loss.

In case of investment in equity instruments classified as the FVOCI, the gains or losses on de-recognition are re-classified to retained earnings.

In case of Investments in debt instruments classified as the FVOCI, the gains or losses on de-recognition are reclassified to statement of Profit and Loss.

Measured at fair value through profit or loss (FVTPL):

A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

The Company measures all its investments in equity (other than investments in subsidiaries and joint ventures) and mutual funds at FVTPL.

Changes in the fair value of financial assets measured at fair value through profit or loss are recognized in Profit and Loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVTPL are recognised in Profit and Loss.

Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortized cost, FVTPL and FVOCI and debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivable only, the Company applies the simplified approach permitted by Ind AS - 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of such receivables.

- i) The Company has transferred the rights to receive cash flows from the financial asset or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized.

1.18 Financial liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Subsequent measurement

Financial liabilities other than those measured at fair value through profit and loss are subsequently measured at amortized cost using the effective interest rate method. The Company measures all debt instruments at amortised.

Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in Profit and Loss.

De-recognition.

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.19 Segment Reporting - Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

2 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements, Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

2.1 Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount.

2.1 Estimation of Defined Benefit Obligations / Plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

2.3 Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

FORM OF PROXY

(Pursuant to Section 105(6) of the Companies Act, 2013 and rule 19(3) of the Companies (Management and Administration) Rules, 2014)
