Subject: Supreme Engineering Ltd has bagged worthy orders for Indian Space Programs

Dear Sir/Madam,

Recently, the company has bagged various critical material orders for end use by space agencies:

1. Nickel based superalloys for cryo-engine components
2. Age hardenable superalloys for fasteners for rockets
3. French grade High strength alloy steel bolts, screws and pins for rockets

The special steels plant of Supreme Engineering Ltd is involved with the manufacturing and-indigenising of exotic alloys for a variety of critical applications such as defence, space, aerospace, nuclear, power etc.

The company is the only company in the private sector supplying most of these products based in khopoli, india.

For Supreme Engineering Limited
