Supreme Power Equipment Secures New Orders Worth ₹ 4.62 Cr, Expands Geographic Reach, & Progresses On Facility Expansion

Mumbai, November 05th, 2024 – Supreme Power Equipment Limited (SPEL), (NSE Code: SUPREMEPWR), one of the leading manufacturers of power and distribution transformers, has announced new order inflow worth ₹ 4.62 Cr and significant progress in the facility expansion, marking an advancement in its order book, geographic footprint, and capacity expansion initiatives.

Order Book: With the addition of these new orders, the company's total order book now stands at ₹ 61.32 Cr. The orders acquired in October 2024 alone showcased SPEL's growing demand across diverse regions in India, further strengthening its domestic market position.

Geographic Expansion:

- **Kerala:** A prestigious tea estate organization in Munnar, Kerala, has awarded Supreme Power an order worth ₹ 2.72 Cr for the supply of two 20 MVA, 33/11 KV power transformers. This order marks a milestone in expanding Supreme Power's presence in southern India.
- **Lakshadweep:** The Department of Electricity in Lakshadweep has entrusted the company with an order worth ₹ 57.96 lakh, facilitating entry into this strategic market.

An additional order valued at ₹ 1.32 Cr was secured from a domestic entity, reinforcing SPEL's strong position as a trusted supplier to local utility providers.

Capacity Expansion: Construction of a new manufacturing facility is currently underway, with 30% of the construction work is over. This facility will significantly boost production capacity from 2,500 MVA to 9,000 MVA, allowing Supreme Power to cater to rising demand and broaden its service offerings. The project is progressing on schedule and is expected to be completed by December 2025.

Commenting on the development, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said, "We are pleased with the strong order inflow, which reflects our solid market position and opens new geographic opportunities, including our entry into Kerala and Lakshadweep. This milestone marks an important step as we expand our footprint beyond Tamil Nadu to meet the growing demand for energy solutions across India.

These orders demonstrate the trust and confidence clients place in our capability to deliver high-quality transformers that meet a range of needs, from local utility providers to prominent industrial entities.

Our new facility, progressing on schedule, will significantly increase our production capacity to meet the rising demand for transformers, particularly higher-capacity models. This expansion will allow us to serve a broader customer base with reliable, timely solutions and aligns with our vision for sustainable, long-term growth."

About Supreme Power Equipment Limited

Supreme Power Equipment Limited (Supreme, SPEL), originally founded as a partnership firm in 1994 under the name "Supreme Power Equipments" and later incorporated as company under the name "Supreme Power Equipment Private Limited" in 2005, is a Tamil Nadu-based company specializing in the

manufacturing of power and distribution transformers. With 3 decades of industry experience, the company has emerged as a prominent supplier to local electric utilities. Supreme's foray into the windmill segment showcases its expertise in crafting transformers designed to withstand switching challenges and voltage fluctuations.

Renowned for quality and reliability, the company has a strong track record, having manufactured, and supplied over 17,000 units. With around ₹ 60 Cr order book, Supreme Power Equipment Limited continues to be a key player in the transformer industry, emphasizing innovation and precision in design.

The Company made its debut in the primary market with an IPO & listed on NSE Emerge in Dec 23.

In FY24, the company recorded a consolidated Revenue of ₹ 113.59 Cr, an EBITDA of ₹ 23.33 Cr, and Profit after Tax of ₹ 14.30 Cr.
