## Supreme Power Equipment Secures ₹ 3.41 Cr Contract For Transformer Refurbishment From Seshasayee Paper & Boards

**Mumbai, August 19<sup>th</sup>, 2024 – Supreme Power Equipment Limited (SPEL), (NSE Code: SUPREMEPWR),** one of the leading manufacturers of power and distribution transformers, today announced that it has been awarded a contract valued at ₹3.41 Cr from Seshasayee Paper and Boards Limited, a renowned paper mill company.

Under this contract, Supreme Power Equipment Limited will undertake the refurbishment of existing power and distribution transformers owned by Seshasayee Paper and Boards Limited. The project will involve the replacement of old parts with new, high-performance components designed and manufactured by Supreme Power Equipment Limited. This refurbishment aims to significantly enhance the efficiency and reliability of the transformers.

The contract encompasses the complete design, manufacture, fitting, and testing of the new parts. The Company is committed to delivering the project within the stipulated timeframe of three to four months, ensuring minimal disruption to the operations of Seshasayee Paper and Boards Limited.

This order further reinforces Supreme Power Equipment Limited's position as a trusted partner in the power sector, offering innovative solutions that enhance the performance and longevity of critical electrical infrastructure.

**Commenting on the achievement, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said,** "I am pleased to announce that we have secured a significant contract valued at ₹ 3.41 Cr from Seshasayee Paper and Boards Limited. We are equally excited to welcome such a renowned player in the paper industry to our growing portfolio of esteemed clients. This project underscores our commitment to excellence and innovation in the power sector. We will be refurbishing their existing power and distribution transformers, replacing old components with new, high-performance parts designed and manufactured by our expert team.

This contract not only strengthens our partnership with Seshasayee Paper and Boards Limited but also reaffirms our position as a trusted player in transformer refurbishment and manufacturing. We are dedicated to completing this project within the next three to four months, ensuring that the upgraded transformers will deliver enhanced performance and reliability.

At Supreme Power Equipment Limited, we are constantly striving to exceed our clients' expectations by providing cutting-edge solutions that meet the highest standards of quality and efficiency. I am confident that our team will successfully deliver on this commitment, further solidifying our reputation in the industry."

### About Supreme Power Equipment Limited

Supreme Power Equipment Limited (Supreme, SPEL) is a Tamil Nadu-based company founded in 1994, specializing in the manufacturing of power and distribution transformers. With 3 decades of industry experience, the company has emerged as a prominent supplier to local electric utilities. Supreme's foray into the windmill segment showcases its expertise in crafting transformers designed to withstand switching challenges and voltage fluctuations.

Renowned for quality and reliability, the company has a strong track record, having manufactured, and supplied over 17,000 units. With around ₹50 Cr order book, Supreme Power Equipment Limited continues to be a key player in the transformer industry, emphasizing innovation and precision in design.

The Company made its debut in the primary market with an IPO & listed on NSE Emerge in Dec 23.

In FY24, the company recorded a consolidated Revenue of ₹ 113.59 Cr, an EBITDA of ₹ 23.33 Cr, and Profit after Tax of ₹ 14.30 Cr.
