Management Commentary

Commenting on the performance, Mr. Vijay Singla, Managing Director of Surani Steel Tubes Limited, said:

> *"H1 FY27 marks a significant milestone in Surani Steel Tubes' growth journey. In just six months, the Company has achieved revenue of ₹290.86 crore, exceeding its previous highest full-year revenue. We have also crossed our previous annual profitability record, with PAT of ₹5.94 crore during the half year. Our sales volume of 53,631 MT has surpassed the volume achieved in the entire previous financial year, reflecting the substantial increase in our business scale.*
>
> *These results reflect the progress made in expanding our business and strengthening our market presence. As we move forward, our focus will remain on sustaining this momentum, deepening customer relationships, enhancing operational capabilities and pursuing growth in a disciplined manner. We remain committed to building a stronger and more scalable business while creating long-term value for our shareholders."*
