Surani Steel Tubes Achieves Highest Ever H1 Sales Volume of 53,631 MT

Gujarat, 3rd October, 2026: Surani Steel Tubes Limited (“Surani” or “the Company”) (NSE: SURANI), a manufacturer of ERW pipes and steel tubes, announced its business performance for H1 FY27, recording its highest-ever half-yearly sales volume of 53,631 MT.

- H1 FY27 sales volume stood at **53,631 MT**, compared with 9,815 MT in H1 FY26, representing a **446.5% YoY** growth.
- The Company has already surpassed its entire FY26 sales volume of 18,036 MT within the first half of FY27.
- The strong performance was supported by robust market demand, improved capacity utilisation, expansion of the customer base and increasing contribution from value-added products.
- The Company continues to focus on strengthening its product mix, improving operational efficiencies and expanding its market reach.

Half Yearly Business Update

Commenting on the sales volume update, Mr. Vijay Singla, Managing Director of Surani Steel Tubes Limited said:

"We are pleased to report a sales volume of 53,631 MT in H1 FY27, representing a strong 446.5% year-on-year growth. Importantly, our H1 FY27 sales volume has already surpassed the entire sales volume achieved during FY26, reflecting the significant momentum we have built in the business.

The performance has been supported by healthy domestic demand, a broadening customer base and increasing contribution from our value-added product portfolio. Our continued focus on improving product mix, strengthening operational efficiencies and expanding our market reach is enabling us to address a wider range of customer requirements.

As we move into the second half of FY27, we remain focused on building on the operational momentum achieved so far, deepening our customer relationships and strengthening our position in the steel tubes and pipes market."

About Surani Steel Tubes Limited

Surani Steel Tubes Limited, established in July 2012, is a manufacturer and supplier of ERW MS Pipes and Steel Tubes, backed by decades of industry experience. The Company is driven by a team of seasoned professionals and focuses on delivering quality products through advanced technology, modern manufacturing facilities and robust processes. Serving diverse sectors including agriculture, construction, chemicals and infrastructure, Surani offers a wide range of ERW pipes and steel tubes designed to meet varied industrial requirements. With a strong emphasis on quality, reliability and customer satisfaction, the Company continues to strengthen its presence in the steel products market and build a trusted brand in the industry.
