Further, we wish to inform you that apart from the above said publication, the said newspaper advertisement is also published on 15th November, 2024 in Business Standard- (English & Hindi) – All Editions also.

The above information is also available on the website of the Company www.surya.co.in

The date and time of occurrence of the event is 15th November, 2024 at 10:00 A.M.

This is for your information and record.

Thanking You,

Yours faithfully
For Surya Roshni Limited

B. B. SINGAL
CFO & COMPANY SECRETARY

Enclosed: as above.

Focus on 'unicornism' in India overhyped: Rishad

PRESS TRUST OF INDIA
Mumbai, 14 November

Wipro Executive Chairman Rishad Premji on Thursday said that the whole focus on "unicornism" in the country is "overhyped" and being celebrated too much.

"You want to focus on building businesses that sustain and then ultimately value will come. You cannot start your journey saying I want to (have) a value of X, Y and Z. That

is very turning off. And so, I think it is the first red sign that pops up," he said when asked about the growing trend of startups looking to achieve Unicorn status within a few months of coming into being.

Stating that some people talk about valuations as opposed to building valuable businesses, he said, "We have overhyped in our country this whole focus on unicornism and we celebrate that too much. There are thousands of other

companies that don't make it, but serve a need and are successful, but they don't make unicorn valuation and it doesn't make them non-successful companies," he said.

A CII report, in collaboration with McKinsey & Co, earlier this year said that new unicorns are likely to

add \$1 trillion to the Indian economy, which would reach \$7 trillion size by 2030, and add 50 million new jobs.

Startup firms valued over \$1 billion are categorised as unicorns.

“THERE ARE PEOPLE WHO TALK ABOUT VALUATIONS AS OPPOSED TO BUILDING VALUABLE BUSINESSES”

RISHAD PREMJI, executive chairman, Wipro

Grp III curbs imposed in Delhi-NCR

With pollution reaching alarming levels, the central pollution watchdog imposed restrictions under the third stage of the Grp in Delhi-NCR on Thursday, including a ban on construction and demolition activities. The air quality in the capital remained in the "severe" category for a second consecutive day. The restrictions will come into force from Friday.

The decision was taken by the Commission for Air Quality Management.

Under the third stage of the Graded Response Action Plan (Grp), all inter-state buses from NCR states — except electric vehicles, CNG vehicles and BS-VI diesel buses — will be prohibited from entering Delhi, alongside a stringent ban on construction and demolition activities, suspension of mining-related activities, consideration of shifting to online classes for students up to Class 5 and daily water sprinkling on major roads.

All inter-state buses from NCR will be prohibited from entering Delhi. A ban on construction will also be in place

Passenger on IndiGo flight held for hoax bomb info

PRESS TRUST OF INDIA
Raipur, 14 November

An IndiGo flight from Nagpur to Kolkata with 187 passengers on board was forced to make an emergency landing at the Raipur airport on Thursday morning after one of the passengers told the crew there was a "bomb" on the aircraft, officials said.

After landing at the airport in Chhattisgarh, the aeroplane was thoroughly checked by security personnel, but nothing suspicious was found. The passenger who gave false information about the presence of a "bomb" on the aircraft was later arrested, they said.

The flight 6E-812 landed at the Swami Vivekananda Airport in Raipur sometime after 9 am following the passenger's claim, said Raipur Senior Superintendent of Police (SSP) Santosh Singh.

According to preliminary information, a passenger, identified as Animesh Mandal, told aircraft crew members about the presence of a "bomb" in the flight when it was mid-air, he said.

The Air Traffic Control was immediately informed and the flight was diverted to Raipur. Upon landing, the aircraft was immediately taken to the isolation bay for mandatory security checks, the police official said.

A police team along with a bomb detection and disposal squad reached the airport. All passengers were deboarded and the aircraft and luggage in it were thoroughly checked by CJSF and Raipur police personnel, he said.

Focus on 'unicornism' in India overhyped: Rishad

PRESS TRUST OF INDIA
Mumbai, 14 November

Wipro Executive Chairman Rishad Premji on Thursday said that the whole focus on "unicornism" in the country is "overhyped" and being celebrated too much. "You want to focus on building businesses that sustain and then ultimately value will come. You cannot start your journey saying I want to (have) a value of X, Y and Z. That

is very turning off. And so, I think it is the first red sign that pops up," he said when asked about the growing trend of startups looking to achieve Unicorn status within a few months of coming into being. Stating that some people talk about valuations as opposed to building valuable businesses, he said, "We have overhyped in our country this whole focus on unicornism and we celebrate that too much. There are thousands of other

companies that don't make it, but serve a need and are successful, but they don't make unicorn valuation and it doesn't make them non-successful companies," he said. A CII report, in collaboration with McKinsey & Co, earlier this year said that new unicorns are likely to add \$1 trillion to the Indian economy, which would reach \$7 trillion size by 2030, and add 50 million new jobs. Startup firms valued over \$1 billion are categorised as unicorns.

“THERE ARE PEOPLE WHO TALK ABOUT VALUATIONS AS OPPOSED TO BUILDING VALUABLE BUSINESSES”
RISHAD PREMJI, executive chairman, Wipro

Grap III curbs imposed in Delhi-NCR

With pollution reaching alarming levels, the central pollution watchdog imposed restrictions under the third stage of the Grap in Delhi-NCR on Thursday, including a ban on construction and demolition activities. The air quality in the capital remained in the "severe" category for a second consecutive day. The restrictions will come into force from Friday. The decision was taken by the Commission for Air Quality Management.

All inter-state buses from NCR will be prohibited from entering Delhi. A ban on construction will also be in place

Under the third stage of the Graded Response Action Plan (Grap), all inter-state buses from NCR states — except electric vehicles, CNG vehicles and BS-VI diesel buses — will be prohibited from entering Delhi, alongside a stringent ban on construction and demolition activities, suspension of mining-related activities, consideration of shifting to online classes for students up to Class 5 and daily water sprinkling on major roads.

Passenger on IndiGo flight held for hoax bomb info

PRESS TRUST OF INDIA
Raipur, 14 November

An IndiGo flight from Nagpur to Kolkata with 187 passengers on board was forced to make an emergency landing at the Raipur airport on Thursday morning after one of the passengers told the crew there was a "bomb" on the aircraft, officials said. After landing at the airport in Chhattisgarh, the aeroplane was thoroughly checked by security personnel, but nothing suspicious was found. The passenger who gave false information about the presence of a "bomb" on the aircraft was later arrested, they said.

The flight 6E-812 landed at the Swami Vivekananda Airport in Raipur sometime after 9 am following the passenger's claim, said Raipur Senior Superintendent of Police (SSP) Santosh Singh.

According to preliminary information, a passenger, identified as Animesh Mandal, told aircraft crew members about the presence of a "bomb" in the flight when it was mid-air, he said. The Air Traffic Control was immediately informed and the flight was diverted to Raipur. Upon landing, the aircraft was immediately taken to the isolation bay for mandatory security checks, the police official said.

A police team along with a bomb detection and disposal squad reached the airport. All passengers were deboarded and the aircraft and luggage in it were thoroughly checked by CJSF and Raipur police personnel, he said.

सवाल जवाब

मूल्यवर्धन के लिए भारत में करें डिजाइन: अजय चौधरी

एचसीएल के सह-संस्थापक अजय चौधरी ने 2021 में गैर-लाभकारी संगठन एपिक फाउंडेशन की स्थापना की थी। इसका उद्देश्य इलेक्ट्रॉनिक्स में भारत को एक 'उत्पाद देश' बनाना था। नैशनल क्वांटम मिशन ऑफ इंडिया के मिशन गवर्निंग बोर्ड के चेयरमैन और इंडिया सेमीकंडक्टर मिशन के सलाहकार बोर्ड के सदस्य चौधरी ने ईशिता आ्यान दत्त से खास बातचीत में कहा कि भारत की ताकत डिजाइन में है लेकिन वैश्विक कंपनियां उसका इस्तेमाल भारत में अपने उत्पादों के विकास के लिए करती हैं जिसे बदलने की जरूरत है। मुख्य अंश:

एक नए सेमीकंडक्टर पैकेज की उम्मीद की जा रही है। सभाविता खर्च क्या होगा? अगले कुछ महीनों में इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी मंत्रालय को दूसरे चरण के लिए मंजूरी मिल जाएगी। सभी पक्ष तैयार हैं। महाराष्ट्र में एक सिलिकॉन फेब्रिक होगा, उत्तर प्रदेश में दो फेब्रिक और कर्नाटक में एक छोटा फेब्रिक एवं ओडिशा में एक फेब्रिक होगा। ये सभी प्रस्ताव विचाराधीन हैं। पहला चरण 10 अरब डॉलर का था और दूसरा भी लगभग इतना ही होगा। इन संयंत्रों में राज्य सरकारें भी भाग ले रही हैं। कई राज्य सेमीकंडक्टर नीतियां लेकर आए हैं, जहां वे पूंजीगत व्यय में 20 फीसदी अतिरिक्त रकम देंगे। करीब 70 फीसदी पूंजीगत व्यय का भुगतान करदाताओं के पैसे से होगा। हमारा सेमीकंडक्टर कार्यक्रम सही दिशा में है।

अगले चार वर्षों में ऐसे कई संयंत्र लगने वाले हैं। मगर ग्राहक कौन होगा? निर्यात करना आसान नहीं है क्योंकि लगभग हर देश फेब्रिक संयंत्र लगा रहा है। अगर हम भारत को एक इलेक्ट्रॉनिक उत्पाद देश के रूप में विकसित नहीं करेंगे और यहां उत्पाद डिजाइन नहीं करेंगे तो हमें चीन से आयात जारी रखना होगा। चीन पर हमारी निर्भरता पहले से ही काफी अधिक है। चीन से आने वाले सभी उत्पादों में वही के चिप्स होंगे। उनके जरिये डेटा वापस जा सकता है। इसलिए हम जिस तरह से चल रहे हैं, वह हमारी सुरक्षा के लिए गंभीर खतरा है।

आपका क्या सुझाव है? इस क्षेत्र के लिए एक कार्यबल बनाया गया है। हमने अपनी विस्तृत योजना में सरकार से कहा है कि भारत को करीब 40 उत्पादों की जरूरत है और हमें उनका डिजाइन और उत्पादन भारत में ही करना चाहिए। इलेक्ट्रॉनिक्स में मूल्य डिजाइन और ब्रांडिंग में ही होता है। डिजाइन भारत की ताकत है। हमारे पास कोलकाता सहित देश भर में डिजाइन की व्यापक क्षमता है। मगर उसका इस्तेमाल हम नहीं बल्कि वैश्विक कंपनियां भारत में अपने उत्पाद विकसित करने के लिए करती हैं। हमें उसे बदलने की जरूरत है। हमने सरकार को सुझाव दिया है कि हमें प्रोत्साहन योजना हो जिसमें कंपनियों एवं स्टार्टअप को भारत में उत्पाद बनाने के लिए कहा जाए। उन्हें सरकार को वित्तपोषित भी करना चाहिए। इसके लिए 30,000 करोड़

रुपये अलग रखने की जरूरत है। अगर हम यह रकम खर्च नहीं करेंगे तो हमारा 20 अरब डॉलर का निवेश बेकार हो जाएगा।

क्या भारत विनिर्माण में पिछड़ गया है? देश में बड़े पैमाने पर विनिर्माण हो रहा है। मगर विनिर्माण मूल्यवर्धन नहीं होता है। मूल्यवर्धन के लिए आपको भारत में डिजाइन करना होगा।

भारत और अमेरिका ने सेमीकंडक्टर आपूर्ति श्रृंखला में अवसरों के लिए एक समझौता किया है। क्या आपको लगता है कि ट्रंप सरकार उस पर अमल करेगी? दुनिया बदल चुकी है। अब हर देश अपने दम पर काम करना चाहता है। ट्रंप के नेतृत्व में अमेरिका अपने हितों का ध्यान रखेगा। इसलिए हमें अपने दम पर बढ़ना होगा। हमारे पास दुनिया की सभी क्षमताएं और सबसे अच्छे डिजाइन हैं।

क्या आप पश्चिम बंगाल सरकार को सेमीकंडक्टर नीति पर सलाह दे रहे हैं? मैं राज्य सरकार से कह रहा हूँ कि उत्पाद डिजाइन के लिए विश्वविद्यालयों के आसपास 5 से 6 उत्कृष्टता केंद्र बनाएं। 5 से 6 बड़े विश्वविद्यालयों को चुनें और उनके आसपास छोटे-छोटे पार्क बनाएं। ये पार्क स्टार्टअप और डिजाइन कंपनियों के होने चाहिए। फिर लोगों को उत्पाद बनाने के लिए आमंत्रित करें। अगर वे वहां उत्पाद बनाएंगे तो पूरा देश खरीदेगा। कल तक दुनिया का जोर सेवाओं पर था। मगर आज की दुनिया उत्पादों के बारे में है। सेवाओं और यहां तक कि सॉफ्टवेयर में भी तमाम बाधाएं हैं। जब एआई पूरी ताकत से आएगा तो क्या होगा? उस समय किसी प्रोग्रामिंग या कॉल सेंटर की जरूरत ही नहीं होगी। ऐसे में बहुत सारी नौकरियां खत्म हो जाएंगी। ऐसा नहीं है कि हम सेवाओं में पिछड़ जाएंगे। लेकिन अब समय आ गया है कि हम उत्पाद भी तैयार करें।

राष्ट्रीय क्वांटम मिशन के लिए परिव्यय 6,000 करोड़ रुपये है। क्या वैश्विक लिहाज से यह पर्याप्त है? यह बहुत अधिक है। अगर हम पीपीपी (क्रय शक्ति समानता) पर गौर करें तो यह रकम काफी अधिक दिखेगी। सरकार का कहना है कि यह सेमीकंडक्टर मिशन की ही तरह महज पहला चरण है।

रिलायंस पावर को कारण बताओ नोटिस

श्रेया जय नई दिल्ली, 14 नवंबर

नवीकरणीय ऊर्जा एजेंसी सोलर एनर्जी कॉरपोरेशन ऑफ इंडिया (सेकी) ने अनिल अंबानी की कंपनी रिलायंस पावर को कारण बताओ नोटिस जारी किया है। पूछा गया है कि फर्जी बैंक गारंटी जमा करने के लिए कंपनी और उसकी इकाई के खिलाफ आपराधिक कार्रवाई क्यों नहीं की जानी चाहिए। एजेंसी ने 13 नवंबर को जारी एक सार्वजनिक नोटिस में कहा है, 'सूचित किया

नवीकरणीय ऊर्जा एजेंसी सेकी के नोटिस में पूछा गया है कि फर्जी बैंक गारंटी जमा करने के लिए कंपनी और उसकी इकाई के खिलाफ आपराधिक कार्रवाई क्यों नहीं की जानी चाहिए

जाता है कि सेकी ने मेसर्स रिलायंस पावर लिमिटेड और मेसर्स रिलायंस एनयू बीईएसएस को कारण बताओ नोटिस जारी

किया है। उसमें स्पष्टीकरण मांगा गया है कि धोखाधड़ी और फर्जी दस्तावेज जमा कराने के मद्देनजर उनके खिलाफ आपराधिक कार्यवाही क्यों नहीं की जानी चाहिए। सेकी ने पिछले सप्ताह अपनी बोलियों में फर्जी दस्तावेज जमा करने को लेकर रिलायंस पावर और उसकी इकाई रिलायंस एनयू बीईएसएस को उसकी निविदाओं में भाग लेने से रोक दिया था। इस बीच रिलायंस पावर ने स्टॉक एक्सचेंजों को दी गई सूचना में कहा कि वह 'धोखाधड़ी और फर्जीवाड़े' की साजिश का शिकार रही है। कंपनी ने बैंक गारंटी का

इंतजाम करने वाले तीसरे पक्ष के खिलाफ दर्ज एफआईआर की प्रति भी लगाई है, मगर उसके नाम का खुलासा नहीं किया है। उसने कहा है कि इस संबंध में 16 अक्टूबर 2024 को दिल्ली पुलिस की आर्थिक अपराध शाखा में शिकायत दर्ज की गई थी। इस महीने के आरंभ में इस समाचार पत्र ने खबर दी थी कि रिलायंस पावर ने उस निविदा के लिए दो बार अमान्य बैंक दस्तावेज जमा कराए थे। उन दस्तावेजों को जिस ईमेल आईडी के जरिये जमा कराया गया था उसे भारतीय स्टेट बैंक ने फर्जी करार दिया है।
