Sub: Intimation for Structured Digital Database server crashed pursuant to Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

Dear Sir / Madam,

This is to notify you that, in accordance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the Company was using the server known as Insider-lens as a Structured Digital Data Base.

However, all the servers and electrical devices in the corporate office building stopped working in January 2024 as a result of a power outage. As a result, the Insider Lens Server crashed, and despite multiple attempts to restore the data, the outcomes were unfavourable, meaning that all the UPSI data that had been saved in the Insider Lens system was lost.

In order to comply with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the company eventually installed a new Insider Lens server.

Kindly take the same on record.

Thanking you.

Yours faithfully,

For Suumaya Industries Limited
