Dear Sirs,

Sub.: Rumour verification.

Ref.: Email / letter from NSE and BSE dated 9th August 2019.

This is with reference to recent news item, "Suzlon Energy rallies 14% as firm offers Rs.8,500 crore to lenders", appeared in certain media.

We wish to reiterate that the Company continues to work on significant debt reduction, as committed. Also, as a wholesome approach towards liability management, the Company has been exploring various funding options like raising fresh equity, and the Company has been engaging with its lenders in this regard to arrive at mutually acceptable and viable options.

The Company has always taken its obligations under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") seriously and will continue to do so. And thus, as and when matters arise that require disclosure, the Company will comply fully with its obligations under the Listing Regulations and make appropriate disclosures.

Hope you would find the above submissions in order and self-explanatory.

Thanking you,

Yours faithfully,
