25th August 2026, Pune, India: Building on strong business momentum, Suzlon has secured 1.1 GW of new orders in FY27, including a new 250 MW wind from Torrent Green Energy, a Torrent Group company. This sixth order from Torrent takes the cumulative partnership between the two companies to over 1.3 GW across three key states - Gujarat, Karnataka, and Madhya Pradesh.

Suzlon will supply 76 flagship S144 wind turbines (3.3 MW each) along with grid integration and long-term O&M (AMS) services.

Girish Tanti, Vice Chairman, Suzlon Group, said, *“For us, the true measure of success is not a single order, but partnerships that endure and grow over time. Torrent Green Energy has been one of our most valued partners for over a decade, and we are honoured that this relationship has grown into one of Suzlon’s largest customer partnerships. It is a reminder that in renewable energy, trust is earned through consistent performance, and long-term partnerships create the confidence to build India’s energy future together.”*

Ajay Kapur, Chief Executive Officer, Suzlon Group, said, *“Customer confidence continues to be our biggest strength, which is reflected in 1.1 GW of new orders we’ve secured in FY27. This order further strengthens our presence in Madhya Pradesh, which is emerging as an important growth market for wind energy in India.”*

About Suzlon Group

At Suzlon, we believe energy enables human progress, and the new world of energy will be powered by Good Energies That Work. With revenues of USD 1.75+ billion for FY26 and market capitalisation of USD 8.0+ billion as of 30 June 2026, we are constantly advancing the good energies that make the new world work by building clean, dependable, intelligent, integrated, and affordable energy ecosystems for a rapidly electrifying world. With 22,000+ MW of wind energy capacity installed across 17 countries and a diverse portfolio of renewable energy businesses, Suzlon today is a wind-first, full-stack renewable energy solutions conglomerate with businesses spanning RE Technology (Wind+Solar+Storage), RE Development Company, RE Projects, and RE Asset Management. For over three decades, Suzlon has partnered with leading PSUs, IPPs, and C&I businesses as a lifetime renewable energy partner. Our next-generation product portfolio includes 2.x MW, 3.x MW, 5.x MW, and 6.x MW wind turbine

systems, alongside integrated renewable energy solutions built for the new world of energy. Headquartered at Suzlon One Earth in Pune, India, the Suzlon Group (NSE: SUZLON, BSE: 532667) comprises RE Tech: Wind | Storage | Solar, RE DevCo, RE Projects, and RE AMS and its subsidiaries.
