Notes:

- The above results have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on July 25, 2014. The statutory auditors of the Company have carried out a limited review of the above results for the quarter ended June 30, 2014.
- The Company has overdue amounts payable to certain creditors and lenders as at June 30, 2014, which indicates the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Pending the final outcome of these measures, these consolidated results have been prepared on the basis that the Company will continue as a going concern and no adjustments have been made to the carrying values or classification of assets and liabilities. The statutory auditors have given an Emphasis of Matter on the same.
- The statutory auditors have given a Emphasis of Matter on following commitments and contingencies:
 - The Indian Wind Energy Association ("IWEA") of which the Group is a member has filed a civil appeal in the Supreme Court against an order of the Appellate Tribunal for Electricity in regard to levy of Infrastructure Development Charges ("IDC") by Tamil Nadu State Electricity Board, and the matter is pending the hearing of the Supreme Court.  - The Company and its certain specified subsidiaries (collectively the "Group") and the CDR Lenders executed a Master Restructuring Agreement ("MRA") during FY 2012-13. The MRA as well as the provisions of the Master Circular on Corporate Debt Restructuring issued by the Reserve Bank of India, give a right to the CDR Lenders to get a recompense of their waivers and sacrifices made as part of the CDR Proposal. The recompense payable by the Company is contingent on various factors including improved performance of the Company and many other conditions, the outcome of which currently is materially uncertain and hence the proportionate amount payable as recompense has been treated as a contingent liability. The aggregate value of the outstanding sacrifice made by CDR Lenders upto June 30, 2014 as per the MRA is approximately Rs.334.45 crores for the Company and Rs.432.49 crores for the Group.
 - The management proposes to divest the business of SE Forge Limited ("SEFL"), which is engaged in manufacturing and machining of large forging and casting products and the said operations have been considered as discontinued operations. The income from operations and profit / (loss) after tax of the business in respect of the ordinary activities attributable to the discontinued operations are:
