Sub: Resignation

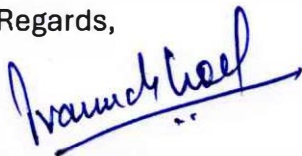

Dear Siddharth,

I wanted to inform you that I have decided to resign from my current position as 'Head of Corporate Affairs and Communications', as I would like to pursue other career opportunities outside of Syngene. As discussed, my last working day will be Monday, September 21, 2026.

I would like to thank you for all your support. I also want to thank Kiran Mazumdar-Shaw, our Executive Chairperson, and the Board for giving me the opportunity to learn and contribute at Syngene.

I wish Syngene and the entire team continued success and growth.

Regards,
