Sub: Systango and Google Cloud Successfully Hosted Web3 and AI Event in London.

Regulation: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

Dear Sir/Madam,

Systango and Google recently hosted a highly successful event at the Google UK Headquarters in London on 27th September 2024, bringing together industry leaders, innovators, and startups to explore the transformative potential of Web3, AI, and Google Cloud.

The event featured insightful discussions, networking opportunities, and inspiring use cases. Led by an expert panel of speakers, CEO of Systango, Co-founder & CEO of WeDeliver, CEO of Rewards Flight Finder.

Client Lead of the Digital Natives Team at Google and several other team members from Google were speakers at the event to discuss tailored solutions by Google Cloud, offering attendees practical insights into how they could harness the power of the cloud to scale their businesses.

The event was a testament to the growing importance of Web3 and Generative AI in the startup ecosystem. By bringing together industry leaders and innovators, Systango and Google are playing a pivotal role in driving the adoption of these technologies and empowering startups to succeed in the digital age.

This is for your information and records.

Thanking you,

For and on behalf of **Systango Technologies Limited**
