Regulation: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

Dear Sir/Madam,

We are proud to announce that Systango has achieved the **Google Cloud Specialization in Generative AI – Services**, becoming the **17th company globally** to receive this prestigious recognition. This accomplishment underscores our company’s leadership in the field of artificial intelligence (AI) and our ongoing commitment to delivering cutting-edge, innovative solutions to our clients.

Specializations within the Google Cloud Partner Advantage program are awarded to partners demonstrating exceptional expertise and a proven track record in delivering innovative solutions that drive measurable client success. This recognition underscores Systango’s ability to deliver advanced generative AI services, further solidifying its reputation as a trusted technology partner for organisations aiming to unlock AI’s full potential.

Being the **17th company globally** to achieve this specialization is a testament to our industry-leading capabilities and highlights our ongoing efforts to stay at the forefront of AI advancements. This milestone will enable us to offer more sophisticated and tailored AI-driven solutions, empowering organizations across various sectors to unlock new possibilities and address complex challenges with AI-powered tools.

This accomplishment marks a significant milestone in Systango’s journey as a pioneer in AI services. It follows the successful delivery of generative AI solutions, cloud engineering services, and advanced automation systems for clients across industries. Systango remains committed to driving impactful change through technology and collaboration, ensuring its clients are equipped to lead in a rapidly evolving market.

This is for your information and records.
