Sub: Systango Expands Fresher Hiring Program for higher Growth

Regulation: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

Dear Sir/Madam,

Systango Technologies Limited is pleased to announce that as part of our continued commitment to growth and talent development, we have expanded our fresher hiring program.

This year, we are onboarding a larger batch of 25 freshers in 1st half which means we will have a total of 45 to 50 fresher's in 2025 calendar year. The batch will be mainly trained for AI and Data, resonating the demand we see in the market.

Historically, we have successfully onboarded batches of 10 to 15 fresher's twice a year (a total of 20 to 25 annually), providing them with the necessary training and exposure to contribute to our company's growth.

This expansion in our hiring initiative is aimed at strengthening our workforce, improving operational capabilities, and ensuring a sustainable pipeline of skilled professionals to support our strategic goals.

We are confident that this step will help drive our continued success and further enhance our ability to deliver as an AI-first, data engineering organisation.

This is for your information and records.

Thanking you,

For and on behalf of **Systango Technologies Limited**

Apurva Mishra
