COMMUNITY IMPACT INITIATIVE

Sahaj Solar Extends Its Community Impact, Supporting 2,000 Farmers Through Corn Seed Distribution

Ahmedabad, October 16th, 2026: Sahaj Solar Limited ("the Company") (NSE: SAHAJSOLAR), a renewable energy company powering the entire clean-energy value chain from high-performance PV module manufacturing to large-scale water pumping solutions and end-to-end EPC projects today announced that, in association with Jaya Baa Trust, it organised a corn seed distribution programme in Kumbhal village, Dediapada taluka of Gujarat supporting approximately 2,000 farmers and promoting rural development.

~2,000
Farmers supported

Kumbhal
Village, Dediapada taluka,
Gujarat

Jaya Baa Trust
In association with

The initiative was undertaken to extend support to local farming communities by providing corn seeds to assist their agricultural activities and strengthen rural livelihoods. By facilitating access to essential agricultural inputs, the programme seeks to support farmers in their cultivation efforts and contribute to the well-being of rural communities.

The collaboration between Sahaj Solar Ltd. and Jaya Baa Trust reflects a shared commitment to community welfare, farmer empowerment and inclusive rural development. The initiative underscores the importance of collaborative efforts in addressing the needs of agricultural communities and creating a meaningful, lasting impact at the grassroots level.

CORN SEED DISTRIBUTION PROGRAMME | KUMBHAL VILLAGE, DEDIAPADA

Commenting on the performance, Mr. Pramit Brahmhatt – Managing Director, Sahaj Solar Limited, said:

“At Sahaj Solar, we believe that true progress goes beyond business growth to creating a meaningful difference in people’s lives. Farmers are the backbone of India’s rural economy, and supporting their livelihoods is an important step towards building stronger communities. Through our association with Jaya Baa Trust, we are proud to extend support to approximately 2,000 farmers in Dediapada. We remain committed to initiatives that empower communities at the grassroots level, promote rural development and foster inclusive and sustainable growth.”

Mr. Pramit Brahmhatt

Managing Director, Sahaj Solar Limited

Through this initiative, Sahaj Solar reaffirms its commitment to social responsibility, recognising that lasting progress is driven not only by business success but also by the positive impact created in the communities it serves.”

About Sahaj Solar Limited:

Headquartered in Gujarat, India, Sahaj Solar Limited is a leading renewable energy company with over 16 years of expertise in solar technology, engineering, and project execution. The Company operates across the entire solar value chain, including PV module manufacturing and end-to-end EPC solutions. By producing nearly 70% of raw materials in-house, the Company ensures quality, cost efficiency, and timely execution. Sahaj Solar has installed more than 50,000 solar water pumps under key government initiatives such as PM-KUSUM and Jal Jeevan Mission. The Company is also focused on innovation through advanced technologies including anti-soiling coatings and nanotechnology-enhanced solar panels.
