Press Release

Sahaj Solar received Letter of Intent for Two 10 MWac Solar PV + BESS Hybrid Projects in Mauritius

Ahmedabad, November 27, 2026: Sahaj Solar Limited ("the Company") (NSE: SAHAJSOLAR), a renewable energy company powering the entire clean-energy value chain from high-performance PV module manufacturing to large-scale water pumping solutions and end-to-end EPC projects, today announced that it has received Letter of Intent from the Central Electricity Board (CEB), Mauritius, for the purchase of electrical energy from 10 x 10 MWac renewable energy hybrid facilities (Solar PV + Battery Energy Storage System).

Key Project Highlights:

- **Capacity:** 2 projects of 10 MWac each (2 × 17 MWdc solar PV), each with a 72 MWh BESS, for a combined 144 MWh.
- **Estimated project value:** Approximately USD 21 million per project and USD 42 million in total. These figures are preliminary.
- **Ownership:** 100% owned by Sahaj Solar Limited, with each project to be held and executed through a wholly owned subsidiary established in Mauritius.
- **Offtake:** CEB, Mauritius, is the sole offtaker under a 25-year power purchase agreement (PPA), which will be executed on award.
- **Status:** Company has received Letter of Intent from Central Electricity Board (CEB), Mauritius.

The Company brings in-house EPC capability and project development experience across solar PV manufacturing, EPC services, hybrid solar-storage and rooftop and distributed solar projects, which positions it to execute internationally on hybrid renewable-plus-storage mandates such as this one.

Commenting on the development, Mr. Pramit Brahmbhatt - Managing Director, Sahaj Solar Limited, said: *"Qualifying in the bid of the Central Electricity Board's RFP is an important milestone in our international journey. Hybrid solar-plus-storage projects reflect where the energy transition is heading, and with our in-house EPC capability and project development experience, we are well placed to execute them."*
