Dear Sirs

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015

...

We are pleased to inform you that our railway siding project which has been under implementation for quite some time has since been completed and has become operational with effect from today. We would like to add that the implementation of this project will hopefully result in a significant reduction in our freight cost both with respect to raw material as well as our finished product, apart from expanding our market reach.

Thanking you

Yours faithfully
For Sagar Cements Limited
