**SHILPA MEDICARE LIMITED GETS GMP CERTIFICATION FROM
PHARMACEUTICALS AND MEDICAL DEVICES AGENCY (PMDA) JAPAN**

=====

The Oncology manufacturing facilities of Shilpa Medicare Limited at Deosugur Industrial Area has been successfully inspected and approved by the PMDA, Japan for Good Manufacturing Practices (GMP) for Gemcitabine HCl.

Japanese market is highly regulated and restricted to few selected Pharma companies across the globe for generic pharmaceutical products. Japanese Pharma market is of about 30% of total and second biggest after US market.

The approval by PMDA will help Shilpa to market its products in Japan.
