For immediate release

Shriram EPC Group awarded orders for Rs. 1,000 crore

Chennai, 16 September, 2010: Shriram EPC Limited (SEPC) and its associate companies have been awarded orders amounting to Rs. 1,000 crore across various business divisions.

SEPC is a leading service provider of integrated design, engineering, procurement, construction and project management services for renewable energy projects, process and metallurgical plants and municipal service sector projects throughout India and manufacturer of wind turbine generators.

Details of the orders are as follows:

An order amounting to Rs. 900 crore from Shalivahana Cement Industries Ltd (SCIL), for setting up a cement plant with production capacity of 2.6 million TPA and clinker production capacity of 2.0 million TPA, in Adilabad District, Andhra Pradesh. The project is expected to be commissioned within 30 months.

An order amounting to Rs. 48 crore (excluding taxes & duties) from Seven Star Steel Limited for setting up a 12MW waste heat recovery based power plant, in Jharsuguda, Orissa. The waste heat recovery power plant will be integrated with the existing steel plant at that location. The project is expected to be commissioned within 18 months.

An order worth Rs. 19 crore from the Kerala Water Authority for its Water Supply Scheme. The scope of work includes supplying and laying of pipes in Kochi city.

SEPC's associate company Hamon Shriram Cottrell Private Limited (HSCL) has been awarded orders worth Rs. 26 crore for cooling towers in Andhra Pradesh. This includes an order worth Rs. 15 crore from Madhucon Projects Limited for its Simhapuri Energy project and an order for Rs. 11 crore from Rashtriya Ispat Nigam Limited for the Vizag Steel Plant.

Commenting on the orders, **Mr. T. Shivaraman, Managing Director & CEO of Shriram EPC Limited**, said:

"We are delighted with these order wins as they underscore our competence across our business divisions. As is evident, order inflows have clearly shifted gears and our order backlog has increased significantly since the start of the financial year.

There has been strong traction in demand across all our verticals and we have bid for a large number of projects giving us visibility of business growth. We have added competencies as well as augmented our capacities and are well placed to capitalize from the resumption of the capital expenditure cycle."

Shriram EPC Limited

No. 9, Vengal Rao Road, Avambakkam, Chennai - 600 095, India

T. SHIVARAMAN

Shriram EPC (NSE: SHRIRAMEPC, BSE: 532945) is one of the leading service providers of integrated design, engineering, procurement, construction and project management services for renewable energy projects, process and metallurgical plants and municipal service sector projects throughout India and overseas, and is also a leading manufacturer of wind turbine generators (WTG).

The EPC business is focused on providing integrated turnkey solutions for biomass-based power plants, process and metallurgy plants (including cement & thermal power plants), water and wastewater treatment plants, water and sewer infrastructure and pipe rehabilitation. The WTG business is focused on manufacturing, erecting and commissioning of MW Class and KW class WTGs.

Shriram EPC is headquartered in Chennai with offices in Mumbai, New Delhi, Kolkata and Beijing; and WTG and cooling tower factories in Puducherry, Chennai and Umbergaon (Gujarat). Their EPC project experience and footprint reaches across 16 states in India, and internationally in Zambia and France, while their WTG business has completed wind energy projects throughout India.
