Siemens Ltd. wins order worth Rs. 101 crore from Delhi Transco Ltd.

- **Scope of the order includes installing 220/66/33kV Gas Insulated Switchgear Substation**

Siemens Ltd. announced that it has won an order worth approximately Rs. 101 crore from Delhi Transco Ltd. (DTL). The order includes installing 220/66/33kV Gas Insulated Switchgear (GIS) substation at R.K. Puram, New Delhi.

DTL is the State Transmission Utility of New Delhi. To enhance its efficiency and productivity, DTL is using state of the art technologies in its operations. Keeping in view the land constraints and environmental hazards, DTL is prioritizing GIS substations in place of Air Insulated Switchgear (AIS) substations.

GIS substations are both reliable and maintenance-friendly, and contribute to improved quality of power in the system.

Forward-looking statements: “This document contains forward-looking statements based on beliefs of Siemens' management. The words 'anticipate', ‘believe’, ‘estimate’, ‘forecast’, ‘expect’, ‘intend’, ‘plan’, ‘should’, and ‘project’ are used to identify forward looking statements. Such statements reflect the company's current views with respect to the future events and are subject to risks and uncertainties. Many factors could cause the actual result to be materially different, including, amongst others, changes in the general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products, lack of acceptance of new products or services, and changes in business strategy. Actual results may vary materially from those projected here. Siemens does not intend to assume any obligation to update these forward-looking statements.”
