Siemens Ltd. wins order worth Rs. 97 crore from NTPC

- Scope of work involves Modernization of Controls and Instrumentation

Siemens Ltd. announced that, together with its parent company Siemens AG, it has won an order totalling approximately Rs. 183 crore from NTPC Ltd. The component of Siemens Ltd. in the order is approximately Rs. 97 crore.

The scope of work includes modernization as well as maintenance of Controls and Instrumentation at NTPC's Dadri Power Gas Station. The solution delivers improved plant availability, quick reaction in critical situations, integrated workflows, smooth and reliable day-to-day I&C operation, ergonomic design and integration of further applications among other benefits.

Siemens is a technology powerhouse that has stood for engineering excellence, innovation, quality and reliability. The company focuses on the areas of electrification, automation and digitalization. It is one of the leading producers of energy-efficient, resource-saving technologies; combined cycle turbines for power generation; and power transmission solutions. Siemens is a pioneer in infrastructure solutions and automation and software solutions for industry. The company is also a leading supplier of medical imaging equipment – such as computed tomography and magnetic resonance imaging systems – and a leader in laboratory diagnostics as well as clinical IT. At the end of September 2014, Siemens India had around 18,500 employees, 23 manufacturing plants and a nation-wide sales and service network. Siemens Limited, in which Siemens AG holds 75% of the capital, is the flagship listed company of Siemens AG in India. Further information, please visit: www.siemens.co.in
