CORRIGENDUM IN THE ANNUAL REPORT 2016-17

The Annual Report for the year 2016-17 for which approval of the shareholders at the 25th Annual General Meeting scheduled to be held on Wednesday, August 9, 2017, is sought, has some printing errors in the presentation with respect to the proposed final dividend required only to be disclosed as information, instead being printed and shown as accounted for both in the Standalone as well as Consolidated financial statements. Such printing errors are corrected at appropriate places in the accounts, namely in the surplus statement, short term liabilities, director's report etc. This has no bearing on financial statements.

All other information in the Annual Report 2016-17 remains unchanged.

Inconvenience caused is highly regretted.
