Dear Sir,

Sub: Award by Industrial Designers Society of America for our Product – Hobtop Gas Stove

We wish to inform you that our product Hobtop Gas Stove has won one of the top awards in the Industrial Designers Society of America. It is one of the world's most prestigious and rigorous design competitions -the International Design Excellence Awards (IDEA). More than 1,700 projects from 30-plus countries entered IDEA 2016

Hobtop is a four-burner gas cooking appliance, which can either be used as a freestanding cooktop or installed as a hob. Compared to any existing burner in the market, Hobtop's burners are designed for more than 70 percent thermal efficiency, with 50 percent reduction in carbon emissions.

The product will be placed at the Henry Ford Museum in Dearborn, MI for ever. More details are available at http://www.idsa.org/awards/idea/preview

Please take this information on record.

Thanking you,

Yours faithfully,
For TTK Prestige Limited,

K Shankaran
Director & Secretary
