Subject: Clarification to the Media News

**Ref.: Sterlite Technologies to set up LCD Panel Manufacturing plant; invest
Rs. 40,000 Crores**

Dear Sirs,

This is with regards to yesterday's announcement made by Mr Anil Agarwal, the Chairman of Sterlite Technologies Limited, on the inauguration day of Digital India week for the proposed investment of Rs 40,000 Cr. into LCD manufacturing in the country and some follow up media reports citing Sterlite Technologies Limited as the investing entity for this initiative.

We would like to clarify that this proposed investment of Rs. 40,000 Cr. for Panel manufacturing would not be undertaken by Sterlite Technologies and would be through a separate entity as part of this new initiative by the group.

Please take this on your records.

Thanking you,

Yours faithfully,

For Sterlite Technologies Limited
