Dear Sirs,

This is to inform you that United States Attorney's Office for the District of New Jersey has issued an administrative subpoena dated 13th March, 2014 to Ranbaxy seeking information primarily related to the Company's API Toansa manufacturing facility in India for which a Form 483 was issued by FDA culminating into import alert. The Toansa facility is subject to certain terms of Consent Decree entered against Ranbaxy in January 2012. The Company is fully cooperating with this information request. Ranbaxy is confident that its pharmaceutical products are safe and effective and is committed in its efforts to remain fully compliant with the US Regulatory standards.

Thanking you,

Yours faithfully,

For RANBAXY LABORATORIES LTD.
