PRESS RELEASE

Sudarshan Chemical Industries Limited will invest approximately Rs.720 million to expand capacity in its high-performance pigments production facilities at Roha and Mahad to meet increasing market demand of its diverse range of pigments.

Through the multi-million investment programme, Sudarshan will be doubling some of its production lines to keep up with the fast-growing market presence in Europe, North America and China.

The Capital expenditure will be financed partly through borrowings and partly through internal accruals.
