Nagpur, May 12, 2011: For the quarter & twelve months ended on 31st March, 2011, Sunil Hitech Engineers Limited, one of the leading Power Project and Infrastructure Project executor in India, has maintained its growth momentum by registering significant growth in its profitability.

Commenting on the results, Shri Sunil R. Gutte, Joint Managing Director of Sunil Hi Tech Engineers Ltd. said, "our Company has performed remarkably in all facets of its operations for the financial year ended on 31st March 2011. Currently some bulky projects and BOP projects are running. The overall performance of our Company is satisfactory. He further said that in financial year 31st March' 2011, we have achieved a milestone in the history, as now we are among few BOP players in the Country. Recently we have completed various projects on schedule time and most of the projects are running as per schedule. Our Commitment towards quality and timeliness towards completion of job gives us an edge over our Competitors. In the light of growing business in the Power and Infrastructure sector, our ability and our potential to grab the opportunities, we are expecting better result in years to come."

With great pleasure, He further informed that Shri Ratnakar M. Gutte, the Hon. Chairman & Managing Director of the Company has received the 'MARATHWADA GAURAV AWARD' for his significant contribution in the field of Industry as well as social services by Hon. Chief Minister of Maharastra Shri Prithviraj Chavan, in the presence of some hon. State as well as Central Ministers, on 17th April 2011 at a function at Mumbai, which is major event to cherish in the history of our Company 'Sunil Hitech Engineers Limited'.

About Sunil Hi Tech Engineers Ltd.

Within a period of 20 years, Sunil Hi Tech Engineers Ltd. has emerged as one of the leading Project Executor of India in the Power and Infrastructure Sector, mainly dealing with fabrication, erection, testing and commissioning of thermal power plants and also entered in the Steel & Sugar Industries. Recently we are awarded with new ISO:9001:2008 certificate from DNV (DET NORSKE VERITAS AS), Netherland, which is an achievement for us.

In addition to this, Sunil Hi Tech designs, supplies, transports and provides the commissioning of EHV lines of substations, CW pipelines, large diameter piping, bunker belts, steel flue can; EPC work for transmission and distribution lines, transformers sub-stations and allied works, as well as the EPC contract for fuel oil system and the erection of turbine generators.

At Present the Company is executing various projects at different parts of the country and contributing to the commissioning of 26,070 MW of Power in the next 2 – 3 years.
