The Surya has registered a growth in LED products and Fans & Home Appliances business by 2.5 times and 2 folds respectively during the year. The present product portfolio in both LED-based and conventional lighting products as well as fans and appliances give us a competitive advantage and provide One-Stop solution to our customers.

The steel business scenario is turning around after imposition of safeguard duty and minimum import price (MIP) which has resulted in increase in volume of Steel division by 16% during the year while the average selling prices lowered by almost 18% due to reduction in steel prices. As a result, the turnover of the division stands to Rs. 1829 crores as compared to Rs. 1886 crores in previous year. The cash profit of the division is also increased to Rs. 28 crores as against Rs. 25 crores over the last year.

During the previous quarter, the Board has approved the project for setting up a manufacturing unit for MS Black and GI Pipes at Hindupur in Andhra Pradesh. The land for the project has been allotted in last month, major orders placed and civil work is also started. The unit shall be in operation by end of this financial year which shall add to increased presence of the company in South Indian market.

The Company has promoted M/s Surya Global Steel Tubes Limited which started commercial operations in the year 2010 for manufacturing of steel pipes at Bhuj (Gujarat). Presently, the Company owns 26.99% of its total share capital. Due to the proximity to Kandla / Mundra Port, it has competitive edge in exports and imports. The company exports to over 25 countries across the globe its value added ERW pipes of different sizes and coatings. The turnover of the Company is Rs 834 crores, EBIDTA Rs. 84 crores and PAT Rs. 15 crores for the financial year ended on 31st March 2016. The company financials stands sound.

The Board of Directors has considered the proposal for merger of M/s Surya Global Steel Tubes Limited (SGSTL) with Surya Roshni Limited (SRL). The merger shall create overall synergy and make the steel business of the company self-reliant. It shall provide economies of scale, geographical reach in western India & international market and create value for all the stake holders.

With our Brand Strength, Pan India Presence and a Committed Team, we are confident to achieve our goals of being a dominant player in India and globally.
