Dear Sirs,

Sub.: Clarification regarding ICRA rating.

Reference news item of ICRA having suspended the rating of Suzlon, this is to clarify that, presently, Suzlon is being rated only by CARE, who has rated Suzlon in October 2015. Suzlon presently enjoys its investment grade rating of BBB- from CARE for its various banking facilities. ICRA was rating Suzlon till year 2012 post which Suzlon went into debt restructuring under CDR and thereafter Suzlon did not continue with credit rating through ICRA.

Since Suzlon discontinued getting credit rating through ICRA, the earlier rating given by ICRA to Suzlon has been suspended by ICRA, as the same was no more relevant in absence of mandate from Suzlon.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,

For Suzlon Energy Limited
