Dear Sirs,

Sub.: Clarification.

**Ref.: News article titled "THDCIL awards 63-Mw wind power project to Suzlon"
published in Business Standard dated 1st December 2016.**

In the reference cited above, we wish to clarify that the Company got the hard copy of the allocation only yesterday afternoon and while it was actually in the process of making the press release after following its internal process, in the meantime the said news item got published.

We wish to further clarify that the subject announcement as well as all order book announcements ordinarily made by the Company from time to time are being made as a matter of good governance and not since that the same are required to be mandatorily made.
