Dear Sirs,

Sub.: Suzlon closed sale of its 26.06% equity interest in Hansen Transmissions International NV, Belgium and received sale proceeds of about Rs.890 Crores.

This is further to our letter dated 25th July 2011 in relation to AE-Rotor Holding BV (“AERH”), an indirect wholly owned subsidiary of Suzlon Energy Limited, having executed an irrevocable undertaking (“**Irrevocable Undertaking**”) in favour of ZF Friedrichshafen AG (“ZF”), under which AERH had undertaken to accept the offer made by ZF International BV (“**ZF Bidco**”) for the entire issued share capital in Hansen Transmissions International NV (“**Hansen**”) at 66 pence per share (“**Offer**”).

We now wish to inform that, in accordance with the terms of the Irrevocable Undertaking, Suzlon has tendered its shares under the Offer. ZF declared the Offer unconditional on 6th October 2011, and has acquired, under the Offer, from AERH, 174,632,079 Depository Receipts in Hansen, for a sum of GBP 115,257,172.14.

Suzlon has thus disposed of its entire stake in Hansen and has received sale proceeds of about Rs.890 Crores.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,

For Suzlon Energy Limited

Hemal A.Kanuga,
Company Secretary.
