

For Immediate Release:

TAKE Solutions Achieves Oracle PartnerNetwork Specialization for Oracle Argus Safety Suite Technology

Chennai, November 26, 2012 - TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], a leader in the Supply Chain Management (SCM) and Life Sciences (LS) domains and a Gold level member of Oracle® PartnerNetwork (OPN), today announced that it has achieved OPN Specialized status for Oracle Argus Safety Suite.

To achieve a Specialized status, Oracle partners are required to meet a stringent set of requirements that are based on the needs and priorities of the customer and partner community. By achieving a Specialized distinction, TAKE Solutions has been recognized by Oracle for its expertise in delivering services specifically around Oracle Argus Safety Suite through competency development, business results and proven success.

Achieving the Specialization for Oracle Argus Safety Suite demonstrates TAKE's proficiency in Oracle's drug safety and pharmacovigilance solution, as well as its overall commitment to Oracle Health Sciences applications.

Ram Yeleswarapu, President and CEO, TAKE Solutions states, "This is a significant milestone for TAKE Solutions. We are thankful for the recognition by Oracle and our clients in our commitment to Oracle Argus Safety Suite in the area of drug safety and pharmacovigilance. We are confident that our clients can benefit from these innovative systems."

"By achieving Specialization for Oracle Argus Safety Suite, TAKE Solutions has demonstrated an expertise and understanding of Oracle Health Sciences software that can provide significant benefits for customers. We congratulate TAKE Solutions on its OPN Specialization," said Neil de Crescenzo, Senior Vice President and General Manager, Oracle Health Sciences.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise, and proven success. To find out more, visit oracle.com/partners.
