Limited Review Report

To

The Resolution Professional
Tantia Constructions Limited

We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Tantia Constructions Limited (the "Holding Company ") and its subsidiaries and associates (the Holding Company and its subsidiaries and associates together referred to as "the Group"), and its share of the net profit / (Loss) after tax and total comprehensive income of its subsidiaries and associates and joint ventures for the quarter ended , and nine months period ended December 31, 2019 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations , 2015, as amended (the " Listing Regulations"). Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended 31st December, 2018 and the corresponding period from 1st April, 2018 to 31st December, 2018, as reported in these financial results have been approved by the Holding Company's Board of Directors but have not been subjected to review.

The accompanying statement is the responsibility of the Resolution Professional and has been approved by him which has been conferred upon him in terms of the provisions of Section 17 of the Insolvency and Bankruptcy Code, 2016 (IBC). Our responsibility is to express opinion on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, as well as Resolution Professional and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently dose not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities (Annexure A)

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with recognition and measurement principles laid down in applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with relevant Rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No CIR/CFD/FAC/62/2016 dated 5th July 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Attention is invited to the following:-

- a. Note 4a to the standalone financial results which states that the Net Worth of the Company has completely eroded. This has significantly affected the going concern assumption of the Company. A CDR package was approved by the Lending Banks (JLF) which was communicated to the Company vide letter of approval dated 6th May 2015 and cut off date (COD) for CDR proposal was 1st July 2014. The company could not generate sufficient surplus and the loans were categorized as NPA. The State Bank of India, in its capacity as financial creditor, then filed a petition under the Insolvency and Bankruptcy Code, 2016 (IBC) with The Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench. On 13th March, 2019, the NCLT vide its order of even date, has admitted the Corporate Insolvency Resolution Process (CIRP) in respect of the Company and appointed Mr. Kshitiz Chhawchharia, as the Interim Resolution Professional (IRP) in terms of the IBC. Further, the Committee of Creditors (COC) in its meeting held on 11th April, 2019 have approved the appointment of Mr. Kshitiz Chhawchharia as Resolution Professional (RP). The time allowed for resolution process was initially for 180 days from the date of admission, which have **further been extended for a period of 90 days by NCLT vide its order dated 6th September, 2019.** Section 12 of IBC has been amended with outer limit to complete CIRP period to 330 days. The NCLT order provide for a moratorium with effect from 13th March, 2019 till the completion of the CIRP process or until the approval of the resolution plan under section 31(1) or an order for liquidation of the Company under Section 33 is made, whichever is made earlier. CIRP is ongoing and is yet to be completed.

Under a CIRP, a resolution plan needs to be prepared and approved by the Committee of Creditors (COC). The resolution plan which would be approved by the COC will need to be further approved by the NCLT to keep the Company as a going concern. The RP and COC has finalised 1 resolution plan and submitted to NCPL which is pending for approval. Currently the resolution process is on, hence the financial statements of the Company are continued to be prepared on the going concern basis and no impairment loss has been recognized.

- b. Note 4b to the consolidated financial results which states that the Company have not made any provision for Gratuity and Leave Encashment in line with IND-AS-19 which has resulted in understatement of loss for the quarter to that extent. Further, no actuarial valuation was made for Gratuity and Leave Encashment.
- c. Note 4c to the consolidated financial results as per which during the quarter, the Company did not charge interest on its debt, as the majority of the Financial Institutions, Corporate depositors and Banks had stopped charging interest on its debt (being categorised as NPA) due from the Company. The results of this quarter ended 31st December, 2019 accordingly did not reflect any provision of interest in respect of such lenders. The impact of the same could not be determined in the absence of necessary documentary evidence, these have resulted in understatement of loss for the quarter to that extent.

Note 4d to the consolidated financial results in relation to Corporate Guarantee provided by the Company against loan availed by one of the subsidiaries of Rs. 26,458.38 lacs (excluding interest) invoked by consortium of Banks due to non payment by that subsidiary and the Consortium has lodged claim with the Resolution Professional during last financial year amounting to Rs. 31,953.00 lacs which is yet to be settled till date.

Our opinion is modified in respect of above matters.

Attention is drawn to:

- a. Note 5 to the consolidated financial results in relation to excess payment of Rs. 84 lacs as managerial remuneration to the Chairman and Managing Director for the financial year(s) 2012-13 and 2013-14. The Company had sought approval from the concerned authorities, viz Ministry of Corporate Affairs, for waiver in respect of recovery of the aforesaid excess amount from the Chairman and Managing Director, which was rejected by Ministry of Corporate Affairs. The Company have adjusted Rs.24.29 lacs against his dues till March'19 and the balance amount of Rs.59.71 lacs is yet to be recovered. As per the decision of COC taken at their meeting held on 20 July, 2019 payment to Chairman and Managing Director is pending for approval by the COC members, hence no adjustment towards above excess payment during quarter ended 31 December, 2019 was made. In terms of clause (f) of sub-section (1) of Section 28 of the IBC, prior approval of the members of the Committee of Creditors (COC) is required for undertaking any related party transactions.
- b. Note 6 of the consolidated financial results whereas part of the CIRP, creditors of the Company were called upon to submit their claims to the Interim Resolution Professional (IRP) as on 13th March, 2019 and later on to Resolution Professional (RP). Claims submitted by financial and operational creditors are being verified and admitted by the RP. In some instances, the amount of claim admitted by the RP is differing from the amount reflecting in the books of accounts of the Company. Pending final outcome of the CIRP process no adjustments has been made in the

books for the differential amount in the claims admitted. Hence, consequential impact, if any, on the financial results is not currently ascertainable.

- c. The consolidated Ind AS financial statement was prepared including 2 subsidiaries and 1 associate company whose financial statements duly reviewed by their auditors were not available. The same was incorporated based on the figures as provided by the Company. The consolidated financial statement includes total revenue of ` Nil for the 2 subsidiaries and loss of Rs. 23.53 lakhs for the said associate company.

Our opinion is not qualified in respect of above matters.

The consolidated unaudited financial results include financial result of one (1) subsidiary which is not currently in operation and has gone into arbitration. Due to the same the financial results were not available and financial results for the year ended 31.03.2019 has been considered for consolidation purpose whose Financial Statement reflects total assets of Rs.54,798 lacs as on 31.03.2018.

Our conclusion on the Statement is not modified in respect of the above matters.

The consolidated unaudited financial results also include the Group's share of net profit/(loss) after tax of Rs. NIL and Rs.NIL and total comprehensive income / loss of Rs. NIL and Rs.NIL for the quarter ended 31st December, 2019 and for the period from 1st April, 2019 to 31st December, 2019, respectively, as considered in the consolidated unaudited financial results, in respect of 06 joint ventures , based on their interim financial results which have not been reviewed by any auditors. According to the information and explanations given to us by the Management, these interim results are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

- 4 The Company is in business of infrastructure activities and hence has only one reportable operating segment as per IND AS 108 - Operating Segment.

Attention is invited to the following :

a) Consequent upon decline in the Company's level of operations and substantial losses incurred till the preceding financial year the net worth of the company has completely eroded and consequent upon further loss during and upto the current quarter, there was no improvement of the same. A CDR package was approved by the Lending Banks (JLF) and implemented on and from 31 March, 2015, with 01 July, 2014 as the cutoff date. However, owing to the non release of the various reliefs comprising additional facilities (Fund based and Non Fund based) and concessional rate of interest etc. approved under the package within the expected timelines, the Company's operations could not achieve viable levels. Consequently, the Company could not generate sufficient surplus; as a result its commitments to the banks could not be serviced as per the terms of the package. Arising out of this, the Company's loan accounts with the JLF banks were categorized as NPA. State Bank of India, in its capacity as financial creditor then filed a petition under the Insolvency and Bankruptcy Code, 2016 (IBC) with The Hon'ble National Company Law Tribunal, Kolkata Bench (NCLT). On 13 March, 2019, the NCLT vide its order of even date, has admitted the Corporate Insolvency Resolution Process (CIRP) in respect of the Company and appointed Mr. Kshitiz Chhawchharia as the Interim Resolution Professional (IRP) in terms of the IBC. Further the Committee of Creditors (COC) in its meeting held on 11 April, 2019 have approved the appointment of Mr. Kshitiz Chhawchharia as Resolution Professional (RP).

The time allowed for resolution process was initially for 180 days from the date of admission, which was further extended for a period of 90 days. As per amended provisions of Section 12 of IBC outer limit to complete CIRP period is 330 days.

As per Section 17 of the IBC, the powers of the Board of Directors stands suspended and such powers have vested with the RP appointed as above. the time originally allowed for resolution process was 180 days from the date of admission, which have been extended for a period of 90 days. The NCLT order also provide for a moratorium with effect from 13 March, 2019 till the completion of the CIRP process or until the approval of the resolution plan under section 31(1) or an order for liquidation of the Company received under Section 33 is made, whichever is made earlier. CIRP is ongoing and is yet to be completed.

Under a CIRP, a resolution plan needs to be approved by the Committee of Creditors (COC). The resolution plan which would be approved by the COC will need to be further approved by the NCLT to keep the Company as a going concern. Currently the resolution process is on, the RP and COC has finalised 1 resolution plan and submitted to NCLT which is pending for approval, hence the financial statements of the Company are continued to be prepared on the going concern basis and no impairment loss has been recognized.

b) The Company has not made any Gratuity and Leave Encashment provision in line with Ind AS 19.

c) The Company did not charge interest on its debt, as the majority of the Financial Institutions, Corporate depositors and Banks had stopped charging interest on its debt (being categorised as NPA) due from the Company. The results of this quarter ended 31 December, 2019 accordingly did not reflect any provision of interest in respect of such lenders.

d) During the last year, the Lenders Consortium of one of the Subsidiaries of the Company has raised a demand of ₹ 31,953.00 lacs (including interest) on the Company against the Corporate Guarantee of ₹ 26,458.38 Lacs given by the Company which is yet to be settled till date.

The Statutory Auditors of the Company have modified their Auditor's Report with regard to the above mentioned matters.

As per the decision of COC at their meeting held on 20th July, 2019 payment to Chairman and Managing Director is pending to be approved by the COC members, hence no adjustment for the above excess payment upto the quarter ended 30th September 2019 was made. In terms of clause (f) of sub-section (1) of Section 28 of the IBC, prior approval of the members of the Committee of Creditors (COC) is required for undertaking any related party transactions.

- 6 As part of the CIRP, creditors of the Company were called upon to submit their claims to the Resolution Professional in terms of the applicable provisions of the Insolvency and Bankruptcy Code, 2016.
