Dear Sir,

Pursuant to Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015, we are glad to inform you that, the Company **"Tara Chand InfraLogistic Solutions Limited"** has signed a new Annual Purchase Plan for the upcoming FY2024-25 with Zoomlion India Pvt Ltd (the wholly owned Indian subsidiary of Zoomlion Heavy Industry, China). **The total value of the proposed purchase plan is approx. INR 160 Crores (exclusive of duties & taxes).** The proposed capex will be a mix of heavy duty large cranes and aerial working platforms, equipped with the latest technologies that are essential to meet the rising demands of India's growth story. The company is confident that this capex will enable it to further strengthen its market stronghold in the sectors that it currently operates in, while also providing a solid platform to enter the Renewable Energy sector.

The revenue from this proposed capex will entirely be attributed to Segment A (Equipment Rentals & Infra Works) of the company's revenue mix, which currently contributes to about 45% of the company's revenue and operates at an EBIDTA of around 50%. The monthly rental yields from assets operating under this segment hovered at 2.5% as on 31st December 2023.

A few pictures from the signing ceremony held at the Zoomlion Headquarters, China are attached. This is for your information and record.

Thanking you,
Yours truly,

**For Tara Chand InfraLogistic Solutions Limited
