Independent Auditor's Review Report on Standalone unaudited financial results of Tata Capital Limited for the quarter and half year ended September 30, 2025 pursuant to the Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors of Tata Capital Limited

1. We have reviewed the accompanying Statement of Standalone unaudited financial results of Tata Capital Limited (hereinafter referred to as 'the Company' / 'TCL') for the quarter and half year ended September 30, 2025 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulations').
2. This Statement, which is the responsibility of Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder ('Ind AS 34'), the circulars, guidelines and directions issued by the Reserve Bank of India (the 'RBI') from time to time (the 'RBI Guidelines') and other recognised accounting principles generally accepted in India, and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, the RBI Guidelines and other recognised accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

5. Pursuant to the approval of scheme of arrangement for amalgamation of Tata Motors Finance Limited ('TMFL') with and into TCL and their respective shareholders, the numbers included in the Statement for the quarter and half year ended September 30, 2024, are of the merged entity i.e. TMFL merged with and into TCL. In accordance with Ind AS 103, the assets and liabilities of TMFL have been recorded at fair value at the appointed date i.e. April 01, 2024. These merged numbers for the quarter and half year ended September 30, 2024, are not subjected to review or audit.

Our conclusion is not modified in respect of the above matter.

- Receivables under financing activities consist of loans which are carried at amortised cost. The business model for managing these loans is "hold to collect" cash flows that are solely principal and interest. Accordingly these loans are not fair valued and the book value of loans (after netting of impairment) are considered as the value of security for the purposes of this certificate.
- The Company has not disclosed market values for trade receivables because their carrying amounts are a reasonable approximation of market value.
